Classical Chinese Poetry An Anthology:

Classical Chinese Poetry David Hinton, 2014-06-10 A magisterial book of nearly five hundred poems from some of history's greatest Chinese poets translated and edited by a renowned poet and scholar New Republic The Chinese poetic tradition is the largest and longest continuous tradition in world literature This rich and far reaching anthology of nearly five hundred poems provides a comprehensive account of its first three millennia 1500 BCE to 1200 CE the period during which virtually all its landmark developments took place Unlike earlier anthologies of Chinese poetry Hinton's book focuses on a relatively small number of poets providing selections that are large enough to re create each as a fully realized and unique voice New introductions to each poet's work provide a readable history told for the first time as a series of poetic innovations forged by a series of master poets David Hinton has lured into English a new manner of hearing the great poets of that long glory of China's classical age His achievement is another echo of the original and a gift to our language W S Merwin The New Directions Anthology of Classical Chinese Poetry Eliot Weinberger, 2003 Provides translations of more than two hundred fifty poems by over forty poets from early anonymous poetry through the Tang and Song dynasties ????? John Minford, Joseph S. M.
