College Life 101 Freshman Orientation:

College Life 101 Jessyca Vample, 2015-12-19 Leaving home for the first time to attend college is stressful enough. But when the roommate lottery of Paradise Valley University strikes it produces couples who have absolutely nothing in common causing personality clashes which takes the stress to a whole new level. Dismay hits Sidra Howard the prim and proper princess when she contemplates spending an entire semester with Chasity Parker the troubled beauty with a sharp tongue and even sharper claws. Malajia Simmons a boy crazed attention seeking diva is no happier. Not only does she get stuck with the upper bunk bed she has to share a triple room with Alexandra Chisolm a nosey and overbearing self proclaimed know it all. But even the meddling Alexandra isn't as bad as Emily Harris the shy mommy's girl with a non-existent backbone. Coming to college to escape her home life Chasity hopes to get through the semester without any problems. Her hopes are tainted once she begins to have to resist the advances of a determined football star on top of dealing with family drama which seems to have followed her. Alexandra's need to fix everyone's problems not only rubs her roommates the wrong way it also causes her to fall blind to the problems brewing with the boyfriend that she left behind. Eventually she'll be forced to face the issues head on. Emily's refusal to come out of her shell is too much to handle for party girl Malajia whose main purpose is to have fun and be seen. The same doesn't apply to Sidra who's more concerned with trying to keep her over the top stress level under control. These five young women try to handle family drama pressure and conflicts all while trying to maintain their grades. They quickly learn that college life isn't what they expected and must adapt to their new environment if they ever hope to make it through their first semester.

Unlike Before J.B. Vample, 2024-04-23 A love neither expected begins at first sight. Since divorcing her ex husband nine years ago thirty five year old Patience Harvey has focused on rebuilding her life and raising her eight year old daughter Noelle. Thriving and content with her career and her growing family the last thing that Patience is thinking about is entertaining another relationship. Running a successful construction company from the ground up has kept Michael Carter busy. However after three years as a single man the thirty seven year old bachelor has reached the point where he's longing for companionship but feels that he's missed his chance. That is until an unexpected detour to a bakery leads him to meet a fellow patron who immediately catches his eye and unbeknownst to her captures his heart. Patience never imagined that a pit stop for a few pastries would put her in the presence of a man who could make her consider diving back into dating. Yet as she continues crossing paths with the enticing Michael she knows she's ready. However as courtship flourishes into romance Patience's past resurfaces threatening not only their bliss but her sanity. Will Patience's past trauma tear this new relationship apart. Or can she and Michael overcome the obstacles thrown their way to reach their happily ever after.
