*Raising Raffi* Keith Gessen, 2022-06-07 A wise mild and enviably lucid book about a chaotic scene Dwight Garner The New York Times Memoirs of fatherhood are rarely so honest or so blunt Daniel Engber The Atlantic An instant classic M C Mah Romper NAMED A MOST ANTICIPATED BOOK OF 2022 BY LIT HUB THE MILLIONS An unsparing loving account of fatherhood and the surprising magical and maddening first five years of a son s life I was not prepared to be a father this much I knew Keith Gessen was nearing forty and hadn t given much thought to the idea of being a father He assumed he would have kids but couldn t imagine what it would be like to be a parent or what kind of parent he would be Then one Tuesday night in early June the distant idea of fatherhood came careening into view Raffi was born a child as real and complex and demanding of his parents energy as he was singularly magical Fatherhood is another country a place where the old concerns are swept away where the ordering of time is reconstituted where days unfold according to a child s needs Whatever rulebooks once existed for this sort of thing seem irrelevant or outdated Overnight Gessen s perception of his neighborhood changes suddenly there are flocks of other parents and babies playgrounds and schools that span entire blocks Raffi is enchanting as well as terrifying and like all parents Gessen wants to do what is best for his child But he has no idea what that is Written over the first five years of Raffi s life *Raising Raffi* examines the profound overwhelming often maddening experience of being a dad Gessen traces how the practical decisions one must make each day intersect with some of the weightiest concerns of our age What does it mean to choose a school in a

segregated city How do you instill in your child a sense of his heritage without passing on that history's darker sides Is parental anger normal possibly useful or is it inevitably authoritarian and destructive How do you get your kid to play sports And what do you do in a pandemic when the whole world seems to fall apart By turns hilarious and poignant Raising Raffi is a story of what it means to invent the world anew      **Picture Books for Children** Mary Northrup, 2012-03-12 Revised edition of Picture books for children Patricia J Cianciolo Fourth edition 1997      School Library Journal, 2007      Teaching Reading in the 21st Century Michael F. Graves, 2007      **Children's Books** Phyllis Van Orden, Sunny Strong, 2007 So many books so little time so many needs so little budget If this describes your situation here's a new book to help you approach book selection confidently and strategically If you are new to the library environment in charge of training new librarians or paraprofessionals or looking for new ideas in collection development this resource is a must have Phyllis Van Orden a past president of both the Association for Library Services to Children and the Association for Library and Information Science Education and Sunny Strong share their advice for establishing general criteria and following guidelines choosing diverse material using selection tools effectively special selection criteria for specific genres including picture books fiction genre fiction folk literature rhymes and poetry and special guidelines for selecting particular subjects
