Calling And Character Virtues Of The Ordained Life:

Calling & Character William H. Willimon, 2000 In Calling Character Willimon lays out a clear compelling picture of the pastoral life one that can inform both those embarking on ordained ministry and those who have been in it for many years He lays out specific habits such as study collegiality and humor as the day by day means of following the difficult and dangerous yet deeply rewarding calling of a pastor The Doctrine and Discipline of the African Methodist Episcopal Zion Church

2012 Discipline Codification Commission, 2014-12-11 The Doctrine and Discipline of the AME Zion Church 2012 is the Book of Discipline for this 218 year old denomination Based upon the original tenets of Wesleyan theology and doctrine and under girded by its founders of African birth the churchs mission is to promote freedom and liberty to the lost and disenfranchised

What We Love: Reflections on Ministry, Leadership, and Mission Myk Habets, John Tucker, 2018-03-08 Leadership is a quality that often goes underappreciated or unrecognised in New Zealand church life But this is not how it should be Leadership is a godly and biblical quality and those with such gifts are to be celebrated and cherished This volume is a tribute to one such gifted leader Charles Hewlett eighth Principal of Carey Baptist College 2010 2017 Structured around the theme of What We Love a saying Charles would repeat often throughout his principalship faculty and students reflect on biblical theological and applied themes central to Christian thought and practice today More than an in house tribute this volume will be of interest and use to pastors and practitioners looking for considered reflections on ministry leadership and mission today **Sustaining Ministry** Sondra Wheeler, 2017-11-07 This book offers an account of the moral foundations of

pastoral ethics and the underlying interpersonal dynamics that make the practice of ministry powerful and also morally dangerous even for those with the best of intentions Sondra Wheeler examines the personal disciplines and spiritual practices that help sustain safe ministry including the essential practices of prayer and spiritual accountability She equips ministers to abide by ethical standards when they come under pressure and offers practical strategies for navigating challenges The author also stresses personal vulnerability and unselfish self care **Graceful Speech** Lucy Lind

Hogan, 2006-01-01 In this introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection **Ministerial Ethics** Joe E. Trull, James E. Carter, 2004-03-01 Ministerial Ethics

provides both new and experienced pastors with tools for sharpening their personal and professional decision making skills The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to

provide a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives Trull and Carter deal with such areas as family life confidentiality truth telling political involvement working with committees and relating to other church staff members First published in 1993 this edition has been thoroughly updated throughout and contains expanded sections on theological foundations the role of character confidentiality and the timely topic of clergy sexual abuse Appendices describing various denominational ministerial codes of ethics are included

Praise Seeking Understanding Jason Byassee, 2007-11-08 Praise Seeking Understanding sits at the intersection of three important fields in theology theological exegesis Augustinian studies and contemporary church practice Jason Byassee deftly brings the three together revealing an important symbiotic relationship between them a relationship hitherto largely ignored Though current exegetical methods have swung away from a Christological reading of the Old Testament rejecting in particular Augustine's treatment of the text Byassee believes that is a mistake we must remedy Using a recent translation of Augustine's *Enarrationes in Psalmos* Byassee describes in depth Augustine's psalm hermeneutic and his approach to scripture generally offering a defense of these views in conversation with recent work in theological exegesis **The Six Deadly Sins of Preaching** Robert Stephen Reid, Lucy Lind Hogan, 2012 Don't give in to the vices of preaching what you didn't know there is such a thing Learn from these stories of failure and become a responsible preacher **Preachers Dare** Bishop William H. Willimon, 2020-10-06 *Preachers Dare* is adapted from Will Willimon's Lyman Beecher Lectures on Preaching at Yale and is inspired by a quote from the great theologian Karl Barth In a world in which sermons too often become hackneyed conventional wisdom or tame common sense preachers dare to speak about the God who speaks to us as Jesus Christ Willimon draws upon his decades of preaching as well as his many books on the practice of homiletics to present a bold theology of preaching This work emphasizes preaching as a distinctively theological endeavor that begins with and is enabled by God God speaks preachers dare to speak the speech of God and the church dares to listen By moving from the biblical text to the contemporary context preachers dare to speak up for God so that God might speak today With fresh biblical insights creativity and pointed humor Willimon gives today's preachers and congregations encouragement to speak with the God who has so graciously and effusively spoken to us **Clergy, Culture and Ministry** Ian Tomlinson, 2017-10-31 All too often Church leaders may want to work cooperatively with others and yet find themselves frustrated *Clergy Culture and Ministry* considers the difficulties and challenges faced by any incumbent wishing to interpret and understand what is going on in their congregation and parish and why it might be happening Engaging with the work of Wesley Carr Ian Tomlinson brings theory and practice into conversation by responding to each of Carr's propositions with a critical incident from the author's own parish experience Table of Contents Foreword Martyn Percy Introduction 1 Critical Incidents 2 Behaviours and Boundaries 3 Practical and Pastoral Theology 4 Applications and Reflections 5 Propositions and Practical Wisdom 6 Pastors Preachers and Priests Some Prescriptions Conclusion Afterword Martyn Percy
