Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you
Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you
news previews and other things you will want to know *Throwing Sheep in the Boardroom* Matthew Fraser,Soumitra
Dutta,2010-02-16 If you want to understand why Wikipedia is changing the world this book is a must read Jimmy Wales
Founder Wikipedia This book is a must read for all social activists politicians or managers who have an interest in
understanding how our society is morphing Professor C K Prahalad 1 Management Guru and author of *Competing for the
Future* Synopsis The rise of social networks like Facebook MySpace and Bebo is changing the way we see ourselves how we
interact with each other how we work and how we do business on a daily basis *Throwing Sheep in the Boardroom* explores
the powerful forces driving the social networking revolution the impact of these profound changes and the far reaching
consequences of social networking Detailing the way social networks affects both individuals and societies as a whole the
book offers a detailed focus on the ways social networking affects the world of business and work The generation entering
the workforce today and entering boardrooms everywhere is fully engaged with social networking and its uses Rather than
feeling threatened and paranoid today s business leaders need to understand this phenomenon accept that it won t go away
and embrace its power in the world of business Excerpts from *Throwing Sheep in the Boardroom* Your next CEO s most
impressive job credential might be status as an online gladiator honing valuable leadership skills mercilessly slaying mortal
enemies on World of Warcraft Why not the skills necessary to hack your way to the top levels of virtual games especially a
killer instinct are excellent pre requisites for managing complex organisations Many senior managers mistakenly believe
Enterprise 2 0 is a product like the latest Microsoft office suite They don t realise that *Enterprise 2 0* is not a cost centre but
a state of mind a revolutionary new way of managing companies and conducting business Web 2 0 tools have no regard for
organisational boundaries hierarchies or job titles Try telling a senior executive that henceforth there will be no job titles
reporting lines and organisational boundaries in the company and watch the reaction closely When someone calls a meeting
he or she is asserting authority over those who are invited to attend Meetings are exclusive and closed In most corporations
who gets invited to a meeting and who does not sends a signal about who s in the loop Meetings are a form of social
grooming inside organisations Meetings impose vertical authority They establish status hierarchies The *Enterprise 2 0* model
is feared in corporations because it threatens status hierarchies Harnessing the dynamism of horizontal networks Web 2 0
social media are bypassing institutional forms of social organisation and directly empowering people This book has attempted

to tell that story with illustrations which we hope have offered intriguing and instructive insights into the powerful transformations we described What has interested us most indeed is the transformative impact or eruptions of Web 2 0 social media on the three dynamics that gave this book its structure identity status and power **Forthcoming Books** Rose Army,2002 *The Software Encyclopedia* ,1986
