Colbert's America Sophia A. McClennen, 2011-11-30 Is the comedy of Stephen Colbert simply fun or is it powerful political satire Does it entertain viewers or does it empower them Or does it teach us that in today's media saturated world those binaries make no sense Colbert's America claims that Colbert's satire fosters critical thinking about social issues encourages active citizenship and entertains the viewer all at the same time The first book to cover the various themes and features of Colbert's America offers readers insight into the powerful ways that Colbert's comedy challenges the cult of ignorance that has threatened meaningful public debate and social dialogue since 9 11 **America According to Colbert**

S. McClennen, 2011-11-30 America According to Colbert Satire as Public Pedagogy post 9 11 argues that in contrast to the anti intellectualism the sensationalism and the punditry that tend to govern most mass media today Stephen Colbert's program offers his audience the opportunity to understand the context through which most news is reported and to be critical of it **Stephen Colbert** Rebecca Aldridge, 2015-12-15 All eyes will be on Stephen Colbert as he takes over David

Di Leo,Peter Hitchcock,2016-04-08 What are the theoretical parameters that produce the category public intellectual By pondering the conceptual elements that inform the term this book offers not just a political critique but a sense of the new challenges its meanings present This collection complicates the notion of public intellectual while arguing for its continued urgency in communities formal and informal institutional and abstract While it is not quite accurate to say public intellectuals have disappeared entirely it is clear they function differently in an age of global neoliberalism and techno digital overdrive Today the idea of the public intellectual bears only the slightest resemblance to what it was fifty or even twenty five years ago The essays in this collection provide a number of different ways to imagine the fate of public intellectuals and offers a thorough exploration of the commonplace ideologies and politics associated with them **America, History and Life** ,1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **The Saturday Review of Politics, Literature, Science and Art** ,1872
