Cane Curiosa From Gun To Gadget:

Cane Curiosa Catherine Dike, 1983 With detailed photos of more than 1 600 canes this books covers 75 private collections in almost 100 museums The text requires 35 chapters to classify all the different gadgets contained with these canes from games to weapons and telescopes to musical instruments A must not only for cane and antique collectors but also for anyone interested in the unknown and unusual A Visual History of Walking Sticks and Canes Anthony Moss, 2021-10-10 This book aims to bring to life a picture of a bygone era a time when the cane was king simulating an age which the only film theatre literature and imagination can recreate In this way I wish to educate further the student collector historian and researcher in how the cane played such an important role in fashion **Crooks & Canes** Jo D. Tannenbaum, 2016-09-23 The cane evolved It was no longer just a support It became a sign of authority dignity wealth and power And then the cane became an accessory So we see around us that change is inevitable We adapt to the change and then we invent and go beyond First the Beatles then Elvis then Jay Z and next We invent create improvise and go beyond This book walks through the colorful history of canes from the Bible to Bebop and Beyond How about coming along **The Complete Costume Dictionary** Elizabeth J. Lewandowski, 2011-10-24 While there are costume and fashion dictionaries tied to specific countries or periods none have been comprehensive In The Complete Costume Dictionary Elizabeth Lewandowski has collected from a variety of sources including costume history texts journal articles historical publications autobiographies biographies foreign language dictionaries and contemporary publications to create a resource that spans the globe from the earliest record of fashion to the 21st century Including more than 20 000 fashion and costume terms this volume also features more than 300 illustrations The first section of the book is an alphabetical listing of these words with their definitions period and country of origin This volume also contains appendixes that list the terms by country of origin period and type of clothing The book is not limited to the Western World and includes both archaic and current terms Significantly greater in scope than anything currently available online or in print this one of a kind publication is an invaluable resource for costume and fashion historians textile preservationists period re enactors and history and theatre scholars as well as theatre professionals Masculinity, Crime and Self-Defence in Victorian Literature E. Godfrey, 2010-12-03 Now in paperback this book considers crime fighting from the perspective of the civilian city goer from the mid Victorian garotting panics to 1914 It charts the shift from the use of body armour to the adoption of exotic martial arts through the works of popular playwrights and novelists examining changing ideals of urban middle class heroism Cane curiosa Catherine Dike, 1983 *The ^A Clarinet in the Classical Period* Albert R. Rice, 2008-01-15 A comprehensive study of the clarinet in use through the classical period 1760 to 1830 a period of intensive musical experimentation The book provides a detailed review and analysis of construction design materials and makers of clarinets Rice also explores how clarinet construction and performance practice developed in tandem with the musical styles of the period Canes in the United States Catherine

Dike,1994 Chronicling American cane making from 1607 through 1953 this beautifully illustrated book features canes in the context of American history An ambitious and scholarly volume that includes over 900 images this book features many of the canes shown at the celebrated cane exhibit at the Cooper Hewitt Museum in New York in the mid 1980s Written by a cane collector and walking stick expert whose private collection was estimated to be around 1 300 canes and whose enthusiasm inspired museums and wealthy private collectors to invest in the field this book displays decades of work and dedication to the craft Presented are canes used by past political figures canes made of glass and canes carved by soldiers from the American Revolution to World War II **Femininity, Crime and Self-Defence in Victorian Literature and Society** E.

Godfrey,2012-10-26 This exploration into the development of women s self defence from 1850 to 1914 features major writers including H G Wells Elizabeth Robins and Richard Marsh and encompasses an unusually wide ranging number of subjects from hatpin crimes to the development of martial arts for women **Hertzian Tales** Anthony Dunne,2008-09-26 How design can improve the quality of our everyday lives by engaging the invisible electromagnetic environment in which we live As our everyday social and cultural experiences are increasingly mediated by electronic products from intelligent toasters to iPods it is the design of these products that shapes our experience of the electrosphere in which we live Designers of electronic products writes Anthony Dunne in Hertzian Tales must begin to think more broadly about the aesthetic role of electronic products in everyday life Industrial design has the potential to enrich our daily lives to improve the quality of our relationship to the artificial environment of technology and even argues Dunne to be subverted for socially beneficial ends The cultural speculations and conceptual design proposals in Hertzian Tales are not utopian visions or blueprints instead they embody a critique of present day practices mixing criticism with optimism Six essays explore design approaches for developing the aesthetic potential of electronic products outside a commercial context considering such topics as the post optimal object and the aesthetics of user unfriendliness and five proposals offer commentary in the form of objects videos and images These include Electroclimates animations on an LCD screen that register changes in radio frequency When Objects Dream consumer products that dream in electromagnetic waves Thief of Affection which steals radio signals from cardiac pacemakers Tuneable Cities which uses the car as it drives through overlapping radio environments as an interface of hertzian and physical space and the Faraday Chair Negative Radio enclosed in a transparent but radio opaque shield Very little has changed in the world of design since Hertzian Tales was first published by the Royal College of Art in 1999 writes Dunne in his preface to this MIT Press edition Design is not engaging with the social cultural and ethical implications of the technologies it makes so sexy and consumable His project and proposals challenge it to do so
