Bogad,2011-04-01 Inform yourself Inform on your neighbor Follow Special Agent Christian White on a cheerfully creepy tour of declassified government surveillance documents White probes the redacted blacked out texts of the FBI s notorious Counterintelligence Programs searching for the words erased in the name of the Freedom of Information Act Learn fun techniques for the infiltration of activist groups how to earn benefits and a pension as an agent provocateur and how to in the words of J Edgar Hoover expose disrupt misdirect discredit or otherwise neutralize your neighbors These are our tax dollars at work folks we might as well enjoy it This script has been performed by writer activist L M Bogad in theatres galleries labor halls and community centers for the past twelve years The pamphlet also includes a preface by Guillermo G mez Pe a and a companion essay by Bogad about the history of domestic surveillance harassment and a how to for would be performers of the script Back by popular demand this new Second Edition adds photos of the original COINTELPRO documents used in the show There are also many updates to the script more information more character development and more and better jokes all in the darkly humorous style of the original *Rich Get Richer and the Poor Get Prison, The (Subscription)* Jeffrey

Reiman,Paul Leighton,2015-07-14 Illustrates the issue of economic inequality within the American justice system The best selling text *The Rich Get Richer and the Poor Get Prison* contends that the criminal justice system is biased against the poor from start to finish The authors argue that even before the process of arrest trial and sentencing the system is biased against the poor in what it chooses to treat as crime The authors show that numerous acts of the well off such as their refusal to make workplaces safe refusal to curtail deadly pollution promotion of unnecessary surgery and prescriptions for unnecessary drugs cause as much harm as the acts of the poor that are treated as crimes However the dangerous acts of the well off are almost never treated as crimes and when they are they are almost never treated as severely as the crimes of the poor Not only does the criminal justice system fail to protect against the harmful acts of well off people it also fails to remedy the causes of crime such as poverty This results in a large population of poor criminals in our prisons and in our media The authors contend that the idea of crime as a work of the poor serves the interests of the rich and powerful while conveying a misleading notion that the real threat to Americans comes from the bottom of society rather than the top Learning Goals Upon completing this book readers will be able to Examine the criminal justice system through the lens of the poor Understand that much of what goes on in the criminal justice system violates one s own sense of fairness Morally evaluate the criminal justice system s failures Identify the type of legislature that is biased against the poor
