

Q10431 What is the most common cause of death in patients with coronary artery disease (CAD)?
 a. Myocardial infarction
 b. Sudden cardiac death
 c. Heart failure
 d. Aortic aneurysm
 e. Stroke

ANSWER: a Myocardial infarction is the most common cause of death in patients with CAD. It is a leading cause of death in the United States. Sudden cardiac death is also a common cause of death in patients with CAD, but it is less common than myocardial infarction. Heart failure is a common complication of CAD, but it is not the most common cause of death. Aortic aneurysm and stroke are also complications of CAD, but they are not the most common causes of death.

Digital Inferno Levy, Paul, 2014-10-13 How many times do you check something on the internet but find you are drifting aimlessly from one link to another If you can't not answer the phone when it rings and you spend hours a week on social media and you read your texts instead of kissing your loved one goodnight and you don't give your kids proper attention because you just have to prioritize new responses to your tweet then this book is for you The digital world is spreading like an inferno a swirling hot storm of change possibility addiction passion manipulation creativity and abuse It demands our attention and encourages us to be always on with its constant updates and feedback It is exciting but it can also be overwhelming And it's developing faster than our ability to deal with it To adherents of digital living and working any criticism is uncool a sign of being out of touch Refreshingly Digital Inferno is neither simple indictment nor unqualified endorsement Rather it's about holding your own in the digital realm adapting in a healthy way to the new reality It offers a conscious path that allows you to derive the benefits you need but also to manage the dangers Packed with a wealth of practical advice Digital Inferno describes numerous methods to enable you to step back from constant digital activity and virtual living and to pay more attention to the real world You'll find exercises to overcome tiredness from digital contact and to develop skills to enable you to remain awake and aware Crucially you will be master of the digital realm to abstain from contact when you need to but also freely to immerse yourself when you choose to We don't need to shun new technology but we do need to be armed with an understanding of its challenges problems and

limitations This book provides the tools you will need to meet the future consciously
