Dilthey Selected Writings:

Dilthey Selected Writings Wilhelm Dilthey, 1976-06-17 Throughout his writings Dilthey exerted significant influence in European philosophy and social theory Wilhelm Dilthey: Selected Works, Volume VI Wilhelm Dilthey, 2019-11-12 This book completes a landmark six volume translation of the major writings of Wilhelm Dilthey 1833 1911 a philosopher and historian of culture who continues to have a significant influence on philosophy hermeneutics and the theory of the human sciences These volumes make available to English readers texts that represent the full range of Dilthey's work The works in this volume present Dilthey's most deeply held views about philosophy and how it can guide human practices System of Ethics 1890 argues that Humean sympathy motivates us only externally and must be replaced with the internally motivated fellow feeling of solidarity that respects others as ends in themselves The Essence of Philosophy 1907 demonstrates how philosophy has developed from its traditional metaphysical role to the epistemological and encyclopedic functions that ground and order the natural and human sciences The work also discloses an orientational function of philosophy that is explored further in The Types of World View and Their Development 1911 Philosophical world views are important in that they address the existential needs and riddles that grow out of life experience and are not solved by any of the sciences In addition the book features three other significant essays Present Day Culture and Philosophy 1898 concerns the challenges to philosophy posed by contemporary culture Dream 1903 is about the thinkers portrayed in Raphael's School of Athens and Dilthey's worries about them breaking up into three divergent groups Finally The Problem of Religion 1911 considers how religiosity can still inform lived experience in secular times Introduction to the Human Sciences Wilhelm Dilthey, 1989 Introduction to the Human Sciences carries forward a projected six volume translation series of the major writings of Wilhelm Dilthey 1833 1911 a philosopher and historian of culture who has had a strong and continuing influence on twentieth century Continental philosophy as well as a broad range of other scholarly disciplines In addition to his landmark works on the theories of history and the human sciences Dilthey made important contributions to hermeneutics and phenomenology aesthetics psychology and the methodology of the social sciences The Selected Works will make accessible to English speaking readers the full range of Dilthey's thought including some historical essays and literary criticism The series provides translations of complete texts together with editorial notes and contains manuscript materials that are currently being published for the first time in Germany This volume brings together the various parts of the Introduction to the Human Sciences published separately in the German edition Rudolf Makkreel and Frithjof Rodi have underscored the systematic character of Dilthey's theory of the human sciences by translating the bulk of Dilthey's first volume published in 1883 and his important drafts for the never completed second volume Selected Writings Wilhelm Dilthey, **W. Dilthey, Selected Writings, [excerpts]** Hans Peter Rickman, 1991 **Poetry and Experience** Wilhelm Dilthey, 1985 This is the fifth volume in a six volume translation of the major writings of Wilhelm Dilthey 1833 1911 a philosopher and historian of culture who has

had a significant and continuing influence on twentieth century Continental philosophy and in a broad range of scholarly disciplines In addition to his landmark works on the theories of history and the human sciences Dilthey made important contributions to hermeneutics and phenomenology aesthetics psychology and the methodology of the social sciences This volume presents Dilthey's principal writings on aesthetics and the philosophical understanding of poetry as well as representative essays of literary criticism The essay The Imagination of the Poet also known as his Poetics is his most sustained attempt to examine the philosophical bearings of literature in relation to psychological and historical theory Also included are The Three Epochs of Modern Aesthetics and its Present Task Fragments for a Poetics and two final essays discussing Goethe and Hölderlin The latter are drawn from *Das Erlebnis und die Dichtung* a volume that was acclaimed on publication as a classic of literary criticism and that continues to be a model for the *geistesgeschichtliche* approach to literary history

Wilhelm Dilthey: Selected Works, Volume IV Wilhelm Dilthey, 2018-06-05 The philosopher and historian of culture Wilhelm Dilthey 1833-1911 has had a significant and continuing influence on twentieth century Continental philosophy and in a broad range of scholarly disciplines This volume is the third to be published in Princeton University Press's projected six volume series of his most important works Part One makes available three of his works on hermeneutics and its history Schleiermacher's *Hermeneutical System in Relation to Earlier Protestant Hermeneutics* The Prize Essay of 1860 *On Understanding and Hermeneutics* 1867-68 based on student lecture notes and the *The Rise of Hermeneutics* 1900 which traces the history of hermeneutics back to Hellenistic Greece All the addenda to this well known essay are translated here some for the first time In them Dilthey articulates three philosophical aporias concerning hermeneutics and projects an ultimate convergence between understanding and explanation Part Two provides translations of review essays by Dilthey on Buckle's use of statistical history and on Burckhardt's cultural history an essay Friedrich Schlegel and the Problem of Universal History and a talk recalling his early years as a student of Boeckh Jakob Grimm Mommsen Ranke and Ritter It also contains the important historical essay *The Eighteenth Century and the Historical World* in which Dilthey reexamines the Enlightenment to show its significant contributions to the rise of historical consciousness

New Horizons in Hermeneutics Anthony C. Thiselton, 1992 This book explores the rapidly growing interdisciplinary area of hermeneutics and its significance for biblical studies combining wide fundamental rigorous and creative theoretical concerns with practical questions about how we read biblical texts

Modernist Poetics of History James Longenbach, 2014-07-14 By thoroughly examining T. S. Eliot and Ezra Pound's collected and uncollected writings James Longenbach presents their understandings of the philosophical idea of history and analyzes the strategies of historical interpretation they discussed in their critical prose and embodied in their poems including *History* Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Scepticism, Relativism, and Religious Knowledge Michael G Harvey, 2014-09-25 Scepticism Relativism and Religious Knowledge shows where responses to scepticism and relativism by Karl Barth and Reformed epistemology have led to impasses and reconstructs their insights in a robust response that does not depend on making excessive claims about our epistemic capacities This response is based on a nuanced conception of the relationship between trust doubt faith and reason and a Kierkegaardian perspective on religious knowledge that stresses the role of the will and the intellectual and theological virtues This book will appeal to those with an interest in the deep and often difficult questions of religion and philosophy particularly regarding matters of truth doubt and belief
