Fiji John Spurway,2015-02-23 Enele Ma afu son of Aleamotu a Tu i Kanokupolu grew up during a time of unprecedented social and political change in Tonga following the advent of Christianity Moving to Lau Fiji in 1847 when he was about 21 he skilfully exploited kinship links to establish a power base there and in eastern Cakaudrove His achievements were recognised in 1853 when his cousin King Tupou I appointed Ma afu as Governor of the Tongans in Fiji Acting as a putative champion of the lotu Ma afu undertook successful military campaigns elsewhere in Fiji and after adding the Yasayasa Moala and the Exploring Isles to the nascent Lauan state he was able to establish the Tovata ko Lau a union of Lau Cakaudrove and Bua with himself as head His power was formally recognised in 1869 when the Lauan chiefs appointed him as Tui Lau a new title in the polity of Fiji Ma afu was now able to challenge Cakobau for the mastery of Fiji After serving as Viceroy during the farcical planter oligarchy known as the Kingdom of Fiji Ma afu underwent a severe humiliation when in order to maintain his power in Lau he was forced to accede to the wishes of Fiji's other great chiefs in offering their islands to Great Britain He would end his days as Roko Tui Lau a subordinate administrator in the Crown Colony of Fiji presiding over a province characterised by corruption and maladministration but where the legacy of his earlier innovative land reforms has endured

is terra incognita The writers of this volume of essays reveal that in the Pacific as in all other once colonized parts of the world colonialism and translation went hand in hand The unsettling power of translation is described as it effected change for better or for worse While the Pacific Islanders encounter with the Europeans has previously been described as having a Fatal Impact the authors of these essays are further able to demonstrate that the Pacific Islanders were not only victims but also played an active role in the cross cultural events they were party to and in shaping their own destinies Examples of the role of translation in effecting change for better or for worse abound in the history of the nations of the Pacific These stories are told here in order to bring this region into the mainstream scholarly attention of postcolonial and translation studies
