Digging Deeper Robert Cribb, Dean Jobb, David McKie, Fred Vallance-Jones, 2014-12-10 Now it its third edition Digging Deeper continues to offer Canadian journalism students the tools they need to enter the fast paced world of investigative reporting Written by a team of award winning journalists this comprehensive guide outlines how to develop story ideas conduct research pitch stories and turn raw information into compelling investigative reports for print radio television and the Web

Digging Deeper Robert Miles Cribb, 2011 This comprehensive guide to investigative techniques provides journalism students with practical tips for finding information both on and off the public record in Canada Written by a team of award winning journalists the text outlines how to develop story ideas research strategies pitch stories to editors and producers and turn raw information into compelling investigative reports for print radio and television Designed to encourage students to think independently and develop sound research techniques the authors show how journalists can escape the spin cycle by deciding for themselves what is newsworthy and finding their own sources of information Digging Deeper is an indispensable resource for journalism students that will serve as a valuable reference guide throughout both their education and their careers

Covering Canadian Crime Chris Richardson, Romyne Smith Fullerton, 2016-05-12 Crime reporting in one form or another is as old as crime itself Almost all young reporters have spent some time on this beat and their work affects all of us Covering Canadian Crime offers a deep and detailed look at perennial issues in crime reporting and how changes in technology business practices and professional ethics are affecting today s crime coverage Social media in the courtroom the stigmatization of mental illness the influence of police media units the practice of knocking on victims doors the culture of masculinity in the newsroom these are among the topics of discussion explored from various disciplinary perspectives and combined with poignant interviews and thought provoking introspection from seasoned journalists such as Christie Blatchford Timothy Appleby Linden MacIntyre Kim Bolan and Peter Edwards A critical account of the challenges involved in crime reporting in ethical informed and powerful ways Covering Canadian Crime poses the questions that reporters journalism students and the public at large need to ask and to answer

Online Newsgathering: Research and Reporting for Journalism Stephen Quinn, Stephen Lambie, 2012-07-26 Journalists used to rely on their notepad and pen Today professional journalists rely on the computer and not just for the writing Much if not all of a journalist s research happens on a computer If you are journalist of any kind you need to know how to find the information you need online This book will show you how to find declassified governmental files statistics of all kinds simple and complex search engines for small and large data gathering and directories of subject experts This book is for the many journalists around the world who didn t attend a formal journalism school before going to work those journalists who were educated before online research became mainstream and for any student studying journalism today It will teach you how to use the Internet wisely efficiently and comprehensively so that you will always have your facts straight and fast Online Newsgathering reflects the

most current thinking is pertinent to both industry and education focuses on what people need to know Please visit the authors companion website at <http://computerassistedreporting.com> for additional resources

Investigative Reporting in Canada Maxine Ruvinsky, 2007 Maxine Ruvinsky explores investigative reporting in Canada through a series of 13 case studies

The Unfulfilled Promise of Press Freedom in Canada Lisa Taylor, Cara-Marie O'Hagan, 2017-01-01 Canadian news reports are riddled with accounts of Access to Information requests denied and government reports released with large swaths of content redacted The Unfulfilled Promise of Press Freedom in Canada offers a vast array of viewpoints that critically analyze the application and interpretation of press freedom under the Charter of Rights This collection assiduously put together by editors Lisa Taylor and Cara Marie O'Hagan showcases the insights of leading authorities in law journalism and academia as well as broadcasters and public servants The contributors explore the ways in which press freedom has been constrained by outside forces like governmental interference threats of libel suits and financial constraints These intersectional and multifaceted lines of inquiry provide the reader with a 360 degree assessment of press freedom in Canada while discouraging complacency among Canadian citizens After all an informed citizenry is a free citizenry

Practical Newspaper Reporting David Spark, Geoffrey Harris, 2010-11-15 Now in its fourth edition this classic textbook has grown up alongside the newspaper industry Today as ever it provides students of newspaper journalism with a toolkit for gathering news and filling ever increasing space with first rate copy for print and online Detailed and down to earth this book delivers Guidance on news gathering from government and business to sport and religion Guidance on news writing drawing on over 300 examples that have appeared in print discussing why they work or how they could have been better Guidance on feature writing including profiles comment leading articles obituaries and reviews Specific chapters on ethical reporting and the possibilities and pitfalls of investigative journalism A review of the new financial realities that the internet is imposing on the media Informed by over half a century's professional experience and fully revised to give a nuanced account of the skills required in an online environment this book is an essential companion for your journalism degree and beyond

Freedom of Information and Social Science Research Design Kevin Walby, Alex Luscombe, 2019-11-25 This multidisciplinary volume demonstrates how Freedom of Information FOI law and processes can contribute to social science research design across sociology criminology political science anthropology journalism and education Comparing the use of FOI in research design across the United Kingdom the United States Australia Canada and South Africa it provides readers with resources to carry out FOI requests and considers the influence such requests can have on debates within multiple disciplines In addition to exploring how scholars can use FOI disclosures in conjunction with interview data archival data and other datasets this collection explains how researchers can systematically analyse FOI disclosures Considering the challenges and dilemmas in using FOI processes in research it examines the reasons why many scholars continue to rely on more easily accessible data when much of the real work of governance the more clandestine but consequential decisions and policy moves made by

government officials can only be accessed using FOI requests Developing and Leading Emergence Teams Peter A.C. Smith, Tom Cockburn, 2016-03-10 *Developing and Leading Emergence Teams* describes a future business landscape that seems to be complicated complex and chaotic in almost equal measures The variety and diversity of the environments within which large organizations will be seeking to operate require a similar variety of systems process and structures if they are to respond successfully to emerging opportunities The established models of teamworking matrix cross functional or transdisciplinary can all adapt to this new environment but will only do so if the culture leadership and management style of the business enables this The authors describe a model of emergence teams high trust teams that exhibit exceptional affinity for knowledge sharing sense making and consensus building They then explore the specifics of leading such a team how the team leader should design the team interact and facilitate the team s development understand the personal nature of each of the team members and the overall emotional regime that will affect trust commitment and motivation Peter Smith and Tom Cockburn draw on research and detailed case examples to provide techniques your organization can adopt in order to build and support the various teams capable of addressing complexity *Brokering Access* Mike Larsen, Kevin Walby, 2012-08-10 Is the business of public officials any of the public s business Most Canadians would argue that it is that we citizens are entitled to enquire and get answers about our government s actions Yet on a practical level there still exists a struggle between the public s quest for accountability and the government s culture of secrecy Drawing together the unique perspectives of social scientists journalists and access to information ATI advocates *Brokering Access* explores the history of ATI law and supplies multiple examples of its contemporary application at the federal provincial and municipal levels From restrictions to access of airport security data post 9 11 to censorship under the Access to Information Act to the difficulties of obtaining details on streetscape video surveillance this book reveals the legal and bureaucratic obstacles citizens face when trying to access government information
