Okay, so we have considered all the requirements for starting a print shop. We also took it further by analyzing and drafting a sample print shop marketing plan template backed up by actionable guerrilla marketing ideas for print shops. So let's proceed to the business planning section.

Why Start a Print Shop?

Starting a business comes cheap to some people while to some other people it is indeed a herculean task; a task that needs serious consideration and contemplation. If you fall amongst the later and you truly want to become your own boss, then one of the many businesses that you can launch with little stress is to open a printing shop.

Printing shop business does pretty well if it is properly located in the right location. It has been proven over and over again that a printing hubs and commercial centers are indeed a thriving location for a printing shop. This is the reason why any entrepreneur who is interested in starting a printing shop business will be willing to pay much to locate the business in any of the locations stated above.

All you have to do to make success out of this business is to ensure that you locate the business in the right location, equip your shop with the latest printing and photocopying machines, and of course good customer care and excellent job outputs.

If you are sure this type of business is what you truly want to do after you must have conducted your feasibility studies and market research, then the next step to follow is to write a good business plan. Below is a sample printing shop business plan template that will help you successfully write yours without much stress;

A Sample Digital Printing Shop Business Plan Template

• Industry Overview

Operators in the printing industry mainly print on paper, textile products, metal, glass, plastic and other materials, excluding fabric. Printing shops engage in a variety of printing processes which include lithographic, gravure, screen, flexographic, digital and letterpress. It is important to state that this industry does not include publishers that also perform printing, nor does it comprise companies that perform pre-press or post – press services without traditional printing.
