scripture *First-Degree Incest and the Hebrew Bible* Johanna Stiebert, 2016-10-20 Incest refers to illegal sexual relations between family members Its precise contours however are culturally specific Hence an illegal incestuous union in one social context may be a legal close kin union in another First degree sexual unions between a parent and child or between siblings are most widely prohibited and abhorred This book discusses all overt and covert first degree incest relations in the Hebrew Bible and also probes the significance of gaps and what these imply about projected sexual and social values As the dominant opinion on the origin of first degree incest continues to be shaped new voices such as those of queer and post feminist criticism have joined the conversation It navigates not only the incest laws of Leviticus and the narratives of Lot and his daughters and of Amnon and Tamar but pursues subtler intimations of first degree sexual unions such as between Adam and his absent but arguably implied mother Haran and Terah s wife Ham and Noah In pursuing the psycho social values that may be drawn from the Hebrew Bible regarding first degree incest this book will provide a thorough review of incest studies from the early 20th century onward and explain and assess the contribution of very recent critical approaches from queer and post feminist perspectives *The Bible* , **The Bible and Gender Troubles in Africa** Joachim Kügler, Rosinah

tradition Major topics in the commentaries are compared and contrasted Thus a unified picture of the whole fabric of Hebrew commentary in medieval Spain emerges In addition the book describes the many Spanish Jewish biblical manuscripts that have remained and details the history of printed editions and Spanish translations for Jews and Christians by medieval Spanish Jews This book will appeal to scholars and students of medieval Spain as well as those interested in the history of religion and cultural history The Biographical Bible Ruth A.
