YOU MAY WANT TO PRINT THIS GUIDE.

1. The Final Exam is "open book, open notes." The maximum time you can spend in the exam is 3 hours and 30 minutes. If you have not clicked the Submit For Grading button by then, you will be automatically exited from the exam. In the Final Exam environment, the Windows clipboard is disabled, so you will not be able to copy exam questions or answers to or from other applications.

2. You should click the Save Answers button in the exam frequently.

This helps prevent connection timeouts that might occur with certain Internet service providers and also minimizes lost answers in the event of connection problems. If your Internet connection does break, when you reconnect, you will normally be able to get back into your Final Exam without any trouble. Remember, though, that the exam timer continues to run while students are disconnected, so students should try to login again as quickly as possible. The Help Desk cannot grant any student additional time on the exam.

3. See Syllabus "Due Dates for Assignments & Exams" for due date information.

4. Reminders

- You will only be able to enter your online Final Exam one time.

- You will always be able to see the time remaining in the Final Exam at the top right of the page.

5. The Final Exam May Contain Multiple Pages

- Make sure you click the Save Answers button before advancing to the next page. (It's a good idea to also click on Save Answers often while you are working.)
- Complete all of the pages before submitting your Final Exam for instructor review.
