**Fearless Families** Kevin A Thompson, 2021-03-01 Fear is a natural part of daily life. It's so common that often we don't even notice it. And yet it dominates our decisions. Because of the value we as a society put on fear, we idolize safety, appearances, materialism, and power, turning to those things in hopes that they will lessen our anxieties. But Jesus preached a different way. In *Fearless Families: Building Brave Homes in an Uncertain World*, author and pastor Kevin A. Thompson shows us that when we are led by love, we will choose trust over safety, heart over appearances, connection over materialism, submission over power. Thompson demonstrates how, as we make choices based on these values, our fears will decrease and our love will increase. [Dave Ramsey's ACT Your Wage!](#).
