Communism And Zionism In Palestine During The British Mandate:

Communism and Zionism in Palestine Jacob Hen-Tov, 1974-01-01 Investigating the Communist International's involvement in Palestine during the 1920s this unusual study encompasses the rise of the Zionist settlement in the region the gradual emergence of Arab nationalism and the increasing difficulties facing the British mandatory government in reconciling the growing Arab Jewish strife The Communist International searching for revolutionary situations in the underdeveloped world attempted to use the unrest in Palestine to undermine the British mandatory government In the process the Communist International and the Palestine Communist Party were confronted by an expanding popular movement Zionism which they tried to suppress The situation was unique The Palestine Communist Party's leadership and membership were predominantly Jewish and perceived the Communist International's anti Zionist policies as a threat to the existence of the entire Jewish community Hen Tov made five investigative trips to Russia He not only reconstructs the situation in the 1920s but also explains the roots of the strong anti Israel position taken by the Soviet Union today

Communism and Zionism in Palestine During the British Mandate Jacob Hen-Tov, Isaiah Friedman, 2012 This reconstruction of Middle East politics and ideology focuses on the rise of the Zionist settlement in Palestine the gradual emergence of Arab nationalism and the increasing difficulties facing the British Mandatory government when reconciling the growing Arab Jewish communal strife The Communist International searching for revolutionary situations in the underdeveloped world attempted to use unrest in Palestine to undermine the Mandate In the process two sections of the Communist movement were confronted with an expanding popular movement Zionism which they tried to suppress The situation was unique The Palestine Communist Party's leadership and membership were predominantly Jewish and perceived the Communist International's anti Zionist policies as a threat to the existence of the entire Jewish community The Soviets themselves promoted an autonomous Jewish region within the Soviet Union and sought to combat manifestations of Zionism in the Middle East that might appeal to Russian Jewry The precise mechanisms of control and policy influence that the Communist International exerted upon the Palestine Communist Party have only recently been revealed The author's intimate knowledge of the Middle East enabled him to reconstruct the 1920s situation By utilizing survivors' testimonies he also was able to explain the roots of the strong anti Israeli position taken by the Soviet Union at the time Communism and Zionism in Palestine during the British Mandate is a vivid historical analysis and will be invaluable to those who wish to understand the complex present situation in the Middle East The Eastern International Masha Kirasirova, 2024 The Eastern International traces how the concept East Vostok was used by the world's first communist state and its mediators to project channel and contest power across Eurasia It highlights the roles played in this process by Jewish activists Arab intellectuals and Central Asian politicians and artists Socialism as a Secular Creed Andrei Znamenski, 2021-01-29 Andrei Znamenski argues that socialism arose out of activities of secularized apocalyptic sects the Enlightenment tradition and

dislocations produced by the Industrial Revolution He examines how by the 1850s Marx and Engels made the socialist creed scientific by linking it to history laws and inventing the proletariat the chosen people that were to redeem the world from oppression Focusing on the fractions between social democracy and communism Znamenski explores why historically socialism became associated with social engineering and centralized planning He explains the rise of the New Left in the 1960s and its role in fostering the cultural left that came to privilege race and identity over class Exploring the global retreat of the left in the 1980s 1990s and the great neoliberalism scare Znamenski also analyzes the subsequent renaissance of socialism in wake of the 2007 2008 crisis

The Optimist Tamir Sorek, 2020-07-14 Tawfiq Zayyad 1929 94 was a renowned Palestinian poet and a committed communist activist For four decades he was a dominant figure in political life in Israel as a local council member mayor of Nazareth and member of the Israeli parliament Zayyad personified the collective struggle of the Palestinian citizens of Israel challenging the military government following the creation of the state of Israel leading the 1976 nationwide strike against land confiscation and tirelessly protesting Israeli military occupation after 1967 With this book Tamir Sorek offers the first biography of this charismatic figure Zayyad s life was one of balance and contradiction between his revolutionary writings as Palestinian patriotic poet and his pragmatic political work in the Israeli public sphere He was uncompromising in his protest of injustices against the Palestinian people but always committed to a universalist vision of Arab Jewish brotherhood It was this combination of traits that made Zayyad an exceptional leader and makes his biography larger than the man himself to offer a compelling story about Palestinians and the state of Israel

Rethinking Israel and Palestine Oded Nir, Joel Wainwright, 2020-06-29 The Middle East seems to be in perpetual crisis One might expect a plethora of Marxist analyses of Israel and Palestine Yet in the literature on Israel and Palestine there are hardly any studies of class relations of production or the relationship between the political and economic balance of forces over time This edited volume brings a diverse array of Marxist influenced interpretations of the present conjuncture in Israel and Palestine The collection includes works by luminaries of social theory such as Noam Chomsky and Fred Jameson as well as leading scholars of Palestine Raja Khalidi Sherene Seikaly and Orayb Aref Najjar and Israel Jonathan Nitzan Nitzan Lebovic and Amir Locker Biletzki It comprises the first ever collection of Marxist influenced writings on Palestine and Israel and the relationship between them This book was originally published as a special issue of the journal Rethinking Marxism
