Africa Asia and the European Union More than 40 percent of the world's population lives under federal arrangements making federalism not only a major research subject but also a vital political issue worldwide Research Handbook on Health Care Policy Martin Powell, Tuba I. Agartan, Daniel Béland, 2024-04-12 Presenting extensive coverage of key theoretical and policy issues within the field of health care research this forward looking Research Handbook contends that students of health care need to take policy more seriously Theory and Methods in Comparative Policy Analysis Studies Iris Geva-May, B. Guy Peters, Joselyn Muhleisen, 2020-06-09 Volume One of the Classics of Comparative Policy Analysis Theory and Methods in Comparative Policy Analysis Studies includes chapters that apply or further theory and methodology in the comparative study of public policy in general and policy analysis in particular Throughout the volume the chapters engage in theory building by assessing the relevance of theoretical approaches drawn from the social sciences as well as some which are distinctive to policy analysis Other chapters focus on various comparative approaches based on developments and challenges in the methodology of policy analysis Together this collection provides a comprehensive scholastic foundation to comparative policy analysis and comparative policy studies Theory and Methods in Comparative Policy Analysis Studies will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters **Principles and Practices of Fiscal Autonomy** Giancarlo Pola, 2016-03-03 This century has seen the continuation of long term trends in the movement of the territorial boundaries of nation states alongside the emergence of new tensions The repercussions of the Scottish referendum and the heightened urgency of the Catalonia question along with the continued economic problems faced by the Eurozone have given new energy and context to debates on institutional and fiscal autonomy Assessing the impact of increasing calls for wider fiscal autonomy in the UK Spain Switzerland Argentina Brazil Germany Italy and the USA this volume updates and adds significant new context to the debate Framing the discussion on fiscal autonomy and drawing out ethical considerations it portrays the problems connected with the devolution of responsibilities and financial resources to sections of the population sometimes content to be part of a lower layer of government sometimes aspiring to an asymmetrical position or total independence **Romanow Papers: The governance of health care in Canada** Commission on the Future of Health Care in Canada, 2004-01-01 The twelve papers in this third volume of the research program for the Romanow Commission offer a detailed analysis of the governance of health care in

Canada from the perspective of constitutionalism intergovernmental relations and societal context In the first section the authors deal with the formal division of powers regarding health care as outlined in the Canadian constitution and the Charter of Rights and Freedoms The second section outlines the strengths and weaknesses of the intergovernmental governance of health care Finally the third section focuses on governance of health care outside of the governmental sphere The theme that resonates throughout the contributions and which is in itself a call for deeper analysis is that health care governance has become locked in a cycle of mutual recrimination blame assigning and blame avoidance from the federal and provincial levels right down to the level of the individual citizen

The Affordable Care Act and Medicare in Comparative Context Eleanor D. Kinney, 2015-07-20 Burdened with perennially rising costs and responsible for providing health insurance to more than one sixth of all Americans Medicare in its original form is fiscally and demographically unsustainable In light of dramatic reforms under the Affordable Care Act ACA this book provides a comprehensive overview of the current state of Medicare Eleanor D Kinney explains how the ACA addresses systemic problems of cost and volume inflation quality assurance and fraud Recognizing the potential for more radical change in the future Kinney also explores the potential of Medicare to become a single payer system Comparisons are made with national health systems in Canada and the United Kingdom from which the United States can draw valuable lessons An approachable yet comprehensive account of Medicare and the ACA this book will be invaluable for health care professionals and informed citizens

Handbook of Territorial Politics Klaus Detterbeck, Eve Hepburn, 2018-08-31 The study of territorial politics has enjoyed a renaissance in the last thirty years Scholars have questioned the state centric assumptions upon which mainstream social science has been built pointing to the territorial re distribution of power across and within states This Handbook brings together leading scholars to demonstrate how territory has shaped institutional structures public policies elections political parties and identity across the world Offering theoretical comparative and empirical insights this book provides a comprehensive overview of the impact of territory on modern political economic and social life
