Compass A Handbook On Parent Leadership:

Compass James B. Stenson, 2003 In *Compass A Handbook on Parent Leadership* James B Stenson has created the definitive plan for raising children right Stenson has spent three decades interviewing hundreds of families in order to determine how parents can raise their children into competent responsible considerate and generous men and women who are committed to live by principles of integrity *Compass* is a true roadmap for the great adventure that is family life This work is intended for a husband and wife to read together learning key skills such as Forming children s characters to help them make sound judgments in the short and long terms Instilling virtue in children while preserving the great loves of childhood Cultivating a sporting adventure family rather than a consumerist family that enshrines materialism and the media Encouraging a culture of discipline in the home and why discipline does not mean damage control or punishment Adopting the qualities of effective parent leaders by sharing one heart and will as parents As a founding member of two successful independent secondary schools educator and the leader of numerous conferences on parent leadership Stenson has made it his life s mission to share the formula for raising children into adults of integrity and virtue *Compass* is a necessity for engaged couples newlyweds expecting parents and parents with young children Through this passion filled read parents will have an exhaustive guide for joyfully raising children into faithful principled adults

Character Matters Thomas Lickona, 2004-02-10 In *Why Character Matters* a leader in the character education movement and author of the landmark book *Educating for Character* Lickona now lays out 100 specific strategies that will help parents as well as teachers instill children with the values that will help them lead good and successful lives

Parenting Your Child Leader Darryl Bodkin, 2013-05 p Darryl Bodkin has written a wonderful treatise on child development and leadership He writes from a child s perspective on parenting and provides invaluable insight on the subject of leadership growth and development When I was 11 years of age my life was torn apart by the loss of my father in a tragic construction accident It was a defining moment for me Fortunately my godly grandmother sat down with me and told me that I had to be the leader in our home since I was the oldest child From that moment leadership was thrust upon me Reading this book has caused me to reflect on that landmark day in my own childhood when I started on a leadership journey I commend Darryl Bodkin s book to you for your enjoyment and personal growth I believe every parent who reads it will benefit from the lessons taught on parenting and will gain an understanding of how to encourage the development of leadership qualities in children Proverbs 3:5-6 is a sterling reminder of the potential for vital Christian leadership within every child that is born into God s big world Dr Stan A Toler Bestselling Author Oklahoma City Oklahoma

Father, The Family Protector James B. Stenson, 2017-03-31 In *Father The Family Protector* Educator James Stenson explores how fathers exercise their powerful and particularly masculine contribution to family life His research comes from more than twenty years of working with families from two highly successful independent secondary schools for boys that he helped establish The Heights School in Washington D C and Northridge Preparatory

School in Chicago As headmaster he made it his business to know hundreds of families intimately studying their family lives watching their children grow into maturity very often successfully but sometimes not Through countless conversations with fathers and mothers he tried to account for the differences looking for patterns of family life among those parents who triumphed with their children What did these successful men and women have in common What did they manage to do right Most important what could other parents learn from their experience This wisdom of fatherhood is what this book is all about It explains the main obstacles in today s society that undercut a father s teaching role and tells men what they could do to overcome them Then within this framework James Stenson spells out how successful fathers deal with their children in the more crucial areas family rules discipline schooling sports recreation the media and ongoing teamwork with one s wife In short this book provides the guidance that will help any father to carry out a serious responsibility that of protector of his family Listen to author James Stenson speak about Successful Fathers [Evangelizing Our Children with Joy](#) Mary Cooney,2017-01-01 Our children are destined for greatness each and every one of them But let us not confuse fame with greatness All of our children whether they lead ordinary or extraordinary lives are called to exemplary virtue generous sacrifice courageous heroism and above all deep enduring love They are called to be saints These words of Mary Cooney are the driving force behind her book Evangelizing Our Children with Joy With an energizing zeal and drive Mary shares with us the wisdom that has come from the highs and lows of parenthood intermingled with the inspiration she has received through prayer and the Bible From the virtues of mercy kindness and patience virtues abundantly needed in the family setting to the riches of the sacramental life Mary shows us how to teach our children that the path to living an extraordinary life leads through the ordinary actions and habits of everyday living Mary Cooney wife and mother was born and raised in Toronto Canada With a degree in Music Education and a master s degree in Piano Pedagogy she has been teaching children for over twenty years Her most delightful students are her own five lively homeschooled children She currently lives in Maryland

It Takes a Family Rick Santorum,2023-10-03 Among politicians of national stature today there is perhaps none more respected as a principled conservative than Rick Santorum In It Takes a Family Conservatism and the Common Good Santorum articulates the humane vision that he believes must inform public policy if it is to be effective and just An appreciation for the civic bonds that unite a community lies at the heart of genuine conservatism Moreover Santorum demonstrates how such an approach to political social and economic problems offers the most promise for those on the margin of life the poor the vulnerable and minorities who have often been excluded from opportunity in America Santorum argues that conservative statesmanship is animated by a sense of stewardship for an inheritance But what do we inherit as Americans And how can we be good stewards of that inheritance Building on Robert Putnam s discussion of social capital the habits of association and trust that are the preconditions of any decent society Santorum assesses how well in the past generation Americans have cared for the fabric of society He explores in detail various dimensions of social and cultural

connection that are the foundation of the common good And he presents innovative policy proposals for the renewal of American society at all levels Throughout his book Santorum emphasizes the central role of the family in contradistinction to the metaphorical village of the federal government as promoted by Hillary Clinton in achieving the common good With a sustained argument touching on first principles throughout this ambitious and original book is a major contribution to contemporary political debate It Takes a Family further establishes Santorum as the leader of reform minded civic conservatives in America

Upbringing James B. Stenson,1991 Serious needs of today s parents are not being met effectively Upbringing addresses the most important of those needs Where are we headed What sort of men and women do we hope our children will grow up to be Are we making progress and how can we tell What do we have to do now to help our children grow toward responsible adulthood Upbringing provides a framework for fruitful discussion of these issues by couples and groups of couples

Anchor James B. Stenson,2002 Mothers and fathers here s help to maintain your confidence and peace of mind even during your toughest times as a parent With a warm understanding of the trials of parenthood veteran educator James Stenson here emphasizes your sacred mission as a parent and your primary responsibility to bring your children face to face with Jesus Christ Drawing from the Scriptures and the rich wisdom of the Church Stenson author of the popular manuals for parents Lifeline and Upbringing here helps you hold on through the roller coaster ups and downs reverses triumphs and ongoing challenges of parenthood so that they don t overwhelm your stamina patience and peace of mind He reveals the secrets of joyful perseverance and confidence in God s promises Brief and to the point so that you can read it whenever you can find a spare moment or two this book is a treasury of advice and encouragement for busy parents

Values Education on Human Sexuality Marie Adelaide D. Murrf Trinidad,Charming May DA Guce, Ma. Concha B. De La Cruz, Theresa Ma. B. Cortes, Robert Z. Cortes, MARRIAGE AND FAMILY LIFE FOR GRADE 10 THE AGE OF AWAKENING The book series is all about education in human sexuality based on the nourishment and cultivation of the natural gift of a person s character The series is based on the premise that SEXUALITY EDUCATION is basically CHARACTER EDUCATION which in turn is founded on human dignity and encompasses formation in moral standards and human conduct hence covering the key elements of life and love and everything in between Comprising an introductory volume for parents and teachers a volume for classroom use of teachers a volume for parents and eight volumes for Grades 5 to 12 respectively this current volume is specifically addressed to Grade 6 pupils about 16 to 17 year olds in their late adolescence It talks about MARRIAGE AND FAMILY LIFE the crucial need to know oneself little by little but well what marriage is and is not what responsible parenthood truly is and the source of genuine fulfillment in family life Marriage and family life are the end goal of the education of most people except for those who decide to remain single for higher ends Until the day of the wedding the script of life has as its happy ending the shaping of a home exuding with love life and everything in between The book series is characterized by sound perennial concepts and by teaching and learning tools

geared towards the age group being addressed **Lifeline** James B. Stenson, 1996 In *Lifeline* James B Stenson summarizes the proven methods and techniques of effective Christian parents today This resourceful book is straight to the point and full of ideas that can be put into practice immediately It is an excellent tool for parents of small children parents who have no time to spare *Lifeline* shows you how to raise children who will honor you and God for all of their lives The book tells you how To develop a clear mission as a parent and confident parental leadership To set rules and standards to structure and guide the family rules that lead to the practice of faith and basic Christian virtues Other thought provoking topics covered in *Lifeline* include Pay now or pay later Raising adults not children Forming vs preserving character Affectionate assertiveness
