Dancing On Hot Macadam Dancing On Hot Macadam:

Portable Prose Jarrad Cogle, N. Cyril Fischer, Lydia Saleh Rofail, Vanessa Smith, 2018-11-09 Portable Prose The Novel and the Everyday examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space This collection interrogates the relationships between these differing aspects of the novel's existence negotiating the boundaries between the material world subjective experience and strategies of representation This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices While mimetic qualities of prose remain an integral consideration for literary interpretation this collection argues for more diverse frameworks ones that see aesthetic components of the novel in close connection with reading practices shared structures of feeling and the corporeal In this capacity this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re make it new *Encyclopedia of the British Novel* Virginia Brackett, Victoria Gaydosik, 2015-04-22 Praise for the print edition comprehensive Recommended **Missions of Interdependence**, 2021-11-01 At the beginning of the twenty first century it is necessary to combine into a productive programme the striving for individual emancipation and the social practice of humanism in order to help the world survive both the ancient pitfalls of particularist terrorism and the levelling tendencies of cultural indifference engendered by the renewed imperialist arrogance of hegemonial global capital In this book thirty five scholars address and negotiate in a spirit of learning and understanding an exemplary variety of intercultural splits and fissures that have opened up in the English speaking world Their methodology can be seen to constitute a seminal field of intellectual signposts They point out ways and means of responsibly assessing colonial predicaments and postcolonial developments in six regions shaped in the past by the British Empire and still associated today through their allegiance to the idea of a Commonwealth of Nations They show how a new ethic of literary self assertion interpretative mediation and critical responsiveness can remove the deeply ingrained prejudices silences and taboos established by discrimination against race class and gender **Charles Dickens in Cyberspace** Jay Clayton, 2003-08-07 Charles Dickens in Cyberspace opens a window on a startling set of literary and scientific links between contemporary American culture and the nineteenth century heritage it often repudiates Surveying a wide range of novelists scientists filmmakers and theorists from the past two centuries Jay Clayton traces the concealed circuits that connect the telegraph with the Internet Charles Babbage's Difference Engine with the digital computer Frankenstein's monster with cyborgs and clones and Dickens life and fiction with all manner of contemporary popular culture from comic books and advertising to recent novels and films In the process Clayton argues for two important principles that postmodernism has a hidden or repressed connection with the nineteenth century and that revealing those connections can aid in the development of a historical cultural studies In Charles Dickens in Cyberspace nineteenth century figures Jane

Austen Charles Darwin Charles Dickens Thomas Hardy Henry James Ada Lovelace Joseph Paxton Mary Shelley and Mary Somerville meet a lively group of counterparts from today Andrea Barrett Greg Bear Peter Carey H L ne Cixous Alfonso Cuar n William Gibson Donna Haraway David Lean Richard Powers Salman Rushdie Ridley Scott Susan Sontag Neal Stephenson Bruce Sterling and Tom Stoppard The juxtaposition of such a diverse cast of characters leads to a new way of understanding the undisciplined culture the two eras share an understanding that can suggest ways to heal the gap that has long separated literature from science Combining storytelling and scholarship this engaging study demonstrates in its own practice the value of a self reflective stance toward cultural history Its personal voice narrative strategies multiple points of view recursive loops and irony emphasize the improvisational nature of the methods it employs Yet its argument is serious and urgent that the afterlife of the nineteenth century continues to shape the present in diverse and sometimes conflicting ways

Contemporary Australian Literature Nicholas Birns,2015-12-01 Australia has been seen as a land of both punishment and refuge Australian literature has explored these controlling alternatives and vividly rendered the landscape on which they transpire Twentieth century writers left Australia to see the world now Australia s distance no longer provides sanctuary But today the global perspective has arrived with a vengeance In *Contemporary Australian Literature A World Not Yet Dead* Nicholas Birns tells the story of how novelists poets and critics from Patrick White to Hannah Kent from Alexis Wright to Christos Tsiolkas responded to this condition With rancour concern and idealism modern Australian literature conveys a tragic sense of the past yet an abiding vision of the way forward Birns paints a vivid picture of a rich Australian literary voice one not lost to the churning of global markets but in fact given new life by it Contrary to the despairing of the critics Australian literary identity continues to flourish And as Birns finds it is not one thing but many In this remarkable bold and fearless book Nicholas Birns contests how literary cultures are read how they are constituted and what they stand for In examining the nature of the barriers between public and private utterance and looking outside the absurdity of the rules of genre Birns has produced a redemptive analysis that leaves hope for revivifying a world not yet dead John Kinsella

Fabulating Beauty Andreas Gaile,2005 Peter Carey is one of Australia s finest creative writers much admired by both literary critics and a worldwide reading public While academia has been quick to see his fictions as exemplars of postcolonial and postmodern writing strategies his general readership has been captivated by his deadpan sense of humour his quirky characters the outlandish settings and the grotesqueries of his intricate plots After three decades of prolific writing and multiple award winning Carey stands out in the world of Australian letters as designated heir to Patrick White *Fabulating Beauty* pays tribute to Carey s literary achievement It brings together the voices of many of the most renowned Carey critics in twenty essays sixteen commissioned especially for this volume an interview with the author as well as the most extensive bibliography of Carey criticism to date The studies represent a wide range of current perspectives on the writer s fictions
