David Attenborough Life On Air:

Life on Air David Attenborough, 2009 Sir David Attenborough is Britain's best known natural history film maker His career as a naturalist and broadcaster has spanned nearly six decades and in this volume of memoirs Sir David tells stories of the people and animals he has met and the places he has visited His first job after Cambridge University and two years in the Royal Navy was at a London publishing house Then in 1952 he joined the BBC as a trainee producer and it was while working on the Zoo Quest series 1954-64 that he had his first opportunity to undertake expeditions to remote parts of the globe to capture intimate footage of rare wildlife in its natural habitat He was Controller of BBC2 1965-68 during which time he introduced colour television to Britain then Director of Programmes for the BBC 1969-1972 However in 1973 he abandoned administration altogether to return to documentary making and writing and has established himself as the world's leading Natural History programme maker with several landmark BBC series including Life on Earth 1979 The Living Planet 1984 The Trials of Life 1990 The Private Life of Plants 1995 Life of Birds 1998 The Blue Planet 2001 Life of Mammals 2002 Planet Earth 2006 and Life in Cold Blood 2008 Sir David is an Honorary Fellow of Clare College Cambridge a Fellow of the Royal Society and was knighted in 1985 He is also Britain's most respected trusted and lauded natural history broadcaster and writer championing conservation and standing at the forefront of issues concerning the planet's declining species A lot has changed since his first television documentary and in this updated edition of Life on Air Sir David tells us of his experiences of filming in the 21st century

Life on Air David Attenborough, 2014-10-15 David Attenborough is one of the most influential and admired figures in English television When 26 he applied for a job in the BBC which then meant radio and was promptly turned down But someone saw his rejected application and asked would he like to try television He would and sixty years later he is still at it Elegantly told often very funny here is his story At home there is his rise to controlling BBC2 introducing colour television to Britain encounters with Montgomery Anthony Eden singers athletes explorers the Queen Benjamin Britten Abroad there are people just as remarkable journeys up tropical rivers to the interior of New Guinea or the Australian outback dragons birds of paradise flying snakes and walls of cockroaches Now updated to cover his work since 2009 Life on Air is a remarkable account of David Attenborough's passion for the natural world and his lifelong quest to understand it

David Attenborough, 2002 *Life on Air* David Attenborough, 2002 A retrospective of David Attenborough's fifty years of broadcasting for the BBC using archive material from some of his most unforgettable moments plus interviews with David himself and key figures in his career Container *The Wit and Wisdom of David Attenborough* Chas Newkey-Burden, 2023-10-26 A fascinating and entertaining collection of facts quotes and stories celebrating Sir David Attenborough's wicked sense of humour and astute wisdom David Attenborough is a national treasure known for his soothing voice calming presence passion for the natural world and his humble easy going nature Despite his incredible talent and influence he tends to play it all down one time stating that I can't believe I'm still employed So if he won't celebrate himself

we'll have to do it for him Filled with facts tributes and anecdotes as well as beautiful illustrations this enormously positive book celebrates Sir David providing a fascinating insight into his life as well as showcasing his brilliant sense of humour Running chronologically this book begins with his early days to his first job at the BBC to eventually becoming the most esteemed naturalist on the planet as he is today Such revelations include There are 18 plants and animals named after him When asked by a reporter how many degrees he had he said it would be rude to count The single thing that would improve his quality of life is good workable knees Blending his quips galore with his powerful messages on the environment and future of the planet this timely book showcases everything we love about Sir David making it the perfect gift for any fan He has over thirty

David Attenborough, 2003 **Pinkoes and Traitors** Jean Seaton, 2015-02-26 This compelling account of a turbulent period in the history of the BBC opens at a time of national decline under the Labour governments of Harold Wilson and James Callaghan and ends during Margaret Thatcher's iconoclastic Conservative premiership The intervening years saw mass unemployment trade union strikes and war in Northern Ireland and the Falklands as well as legendary BBC programmes such as Live Aid Fawlty Towers and Dad's Army The Singing Detective and Tinker Tailor Soldier Spy and David Attenborough's Life on Earth Comprehensively revised and expanded for this new edition Jean Seaton's perceptive study presents an absorbing analysis of an institution that both reflects Britain and has helped to define it **Nature's Saviours** Graham Huggan, 2013-08-22 Today's celebrity conservationists many of whom made their reputations through television and other visual media play a major role in drawing public attention to an increasingly threatened world This book one of the first to address this contribution focuses on five key figures the English naturalist David Attenborough the French marine adventurer Jacques Yves Cousteau the American primatologist Dian Fossey the Canadian scientist broadcaster activist David Suzuki and the Australian crocodile hunter Steve Irwin Some of the issues the author addresses include What is the changing relationship between western conservation and celebrity How has the spread of television helped shape and mediate this relationship To what extent can celebrity conservation be seen as part of a global system in which conservation like celebrity is big business The book critically examines the heroic status accorded to the five figures mentioned above taking in the various discourses around nature science nation gender through which they and their work have been presented to us In doing so it fills in the cultural historical and ideological background behind contemporary celebrity conservationism as a popular expression of a chronically endangered world **Go Wild with Your Camcorder** Piers Warren, 2006 Packed with information and advice acquired over years of teaching wildlife filmmaking Warren guides readers through all aspects of making a wildlife film from choosing a camcorder to editing the final product The Great Horizon Jo Woolf, 2017-11-16 Fifty stories of adventure and exploration over more than two hundred years of human history The Great Horizon features those who set out to conquer new territories and claim world records alongside those who contributed to our understanding of the world all but accidentally Published in association with the Royal Scottish Geographical Society and with full access to
