David Foster Wallaces Infinite Jest A Readers Guide 2nd Edition

**Allard den Dulk, Pia Masiero, Adriano
Ardovino**

David Foster Wallaces Infinite Jest A Readers Guide 2nd Edition:

David Foster Wallace's Infinite Jest Stephen J. Burn, 2012-04-19 Infinite Jest has been hailed as one of the great modern American novels and its author David Foster Wallace who committed suicide in 2008 as one of the most influential and innovative authors of the past 20 years Don DeLillo called Infinite Jest a three stage rocket to the future a work equal to the huge babbling spin out sweep of contemporary life while Time Magazine included Infinite Jest on its list of 100 Greatest Novels published between 1923 2006 David Foster Wallace's Infinite Jest A Reader's Guide was the first book to be published on the novel and is a key reference for those who wish to explore further Infinite Jest has become an exemplar for difficulty in contemporary Fiction its 1 079 pages full of verbal invention oblique narration and a scattered nonlinear chronology In this comprehensively revised second edition Burn maps Wallace's influence on contemporary American fiction outlines Wallace's poetics and provides a full length study of the novel drawing out the most important themes and ideas before surveying

Wallace's post Infinite Jest output including The Pale King *Approaches to Teaching the Works of David Foster Wallace* Stephen J. Burn, Mary K. Holland, 2019-08-01 Offers pedagogical techniques for teaching the works of David Foster Wallace's novels short stories and essays Includes considerations of Wallace's literary techniques philosophy and literary ethics Gives syllabus suggestions for undergraduate and graduate courses in American literature surveys first year composition courses world literature surveys and high school courses **A Companion to David Foster Wallace Studies** M. Boswell, S.

Burn, 2013-03-20 Criticism of the work of David Foster Wallace has tended to be atomistic focusing on a single aspect of individual works A Companion to the Work of David Foster Wallace is designed as a professional study of all of Wallace's creative work This volume includes both thematic essays and focused examinations of each of his major works of fiction

Reading David Foster Wallace between philosophy and literature Allard den Dulk, Pia Masiero, Adriano Ardivino, 2022-11-08 This book breaks new ground by showing that the work of David Foster Wallace originates from and functions in the space between philosophy and literature Philosophy is not a mere supplement to or decoration of his writing nor does he use literature to illustrate pre established philosophical truths Rather for Wallace philosophy and literature are intertwined ways of experiencing and expressing the world that emerge from and amplify each other The book does not advance a fixed or homogenous interpretation of Wallace's oeuvre but instead offers an investigative approach that allows for a variety of readings The volume features fourteen new essays by prominent and promising Wallace scholars divided into three parts one on general aspects of Wallace's oeuvre such as his aesthetics form and engagement with performance and two parts with thematic focuses namely Consciousness Self and Others and Embodiment Gender and Sexuality David Foster Wallace's Balancing Books Jeffrey Severs, 2017-01-03 What do we value Why do we value it And in a neoliberal age can morality ever displace money as the primary means of defining value These are the questions that drove David Foster Wallace a writer widely credited with changing the face of contemporary fiction and moving it beyond an emotionless

postmodern irony Jeffrey Severs argues in David Foster Wallace's *Balancing Books* that Wallace was also deeply engaged with the social political and economic issues of the twentieth and twenty first centuries A rebellious economic thinker Wallace satirized the deforming effects of money questioned the logic of the monetary system and saw the world through the lens of value's many hidden and untapped meanings In original readings of all of Wallace's fiction from *The Broom of the System* and *Infinite Jest* to his story collections and *The Pale King* Severs reveals Wallace to be a thoroughly political writer whose works provide an often surreal history of financial crises and economic policies As Severs demonstrates the concept of value occupied the intersection of Wallace's major interests economics work metaphysics mathematics and morality Severs ranges from the Great Depression and the New Deal to the realms of finance insurance and taxation to detail Wallace's quest for balance and grace in a world of excess and entropy Wallace showed characters struggling to place two feet on the ground and restlessly sought to balance the books of a chaotic culture Explaining why Wallace's work has galvanized a new phase in contemporary global literature Severs draws connections to key Wallace forerunners Don DeLillo Thomas Pynchon and William Gaddis as well as his successors including Dave Eggers Teddy Wayne Jonathan Lethem and Zadie Smith interpreting Wallace's legacy in terms of finance the gift and office life

David Foster Wallace in Context Clare

Hayes-Brady, 2022-12-01 David Foster Wallace is regarded as one of the most important American writers of the twentieth and twenty first centuries This book introduces readers to the literary philosophical and political contexts of Wallace's work An accessible and useable resource this volume conceptualizes his work within long standing critical traditions and with a new awareness of his importance for American literary studies It shows the range of issues and contexts that inform the work and reading of David Foster Wallace connecting his writing to diverse ideas periods and themes Essays cover topics on gender sex violence race philosophy poetry and geography among many others guiding new and long standing readers in understanding the work and influence of this important writer

work from Faulkner and Hemingway by artists who have drawn for Marvel and poems by Gertrude Stein and Edna St Vincent Millay You ll also find original comic versions of short stories by W Somerset Maugham Flannery O Connor and Saki manga style plus adaptations of Lolita and everyone said it couldn t be done The Age of Innocence Siddhartha and Steppenwolf by Hermann Hesse The Negro Speaks of Rivers by Langston Hughes One Flew Over the Cuckoo s Nest Last Exit to Brooklyn J G Ballard s Crash and photo dioramas for Animal Farm and The Wonderful Wizard of Oz Feast your eyes on new full page illustrations for 1984 Brave New World Waiting for Godot One Hundred Years of Solitude The Bell Jar On the Road Lord of the Flies The Wind Up Bird Chronicle and three Borges stories Robert Crumb s rarely seen adaptation of Nausea captures Sartre s existential dread Dame Darcy illustrates Cormac McCarthy s masterpiece Blood Meridian universally considered one of the most brutal novels ever written and long regarded as unfilmable by Hollywood Tara Seibel the only female artist involved with the Harvey Pekar Project turns in an exquisite series of illustrations for The Great Gatsby And then there s the moment we ve been waiting for the first graphic adaptation from Kurt Vonnegut s masterwork Slaughterhouse Five Among many other gems

David Foster Wallace and the Question of Scepticism Matt Prout,2024-12-31 David Foster Wallace and the Question of Scepticism examines the role of scepticism and doubt in Wallace s work showing that they are of fundamental importance to his writing in its form and its themes Wallace s work articulates a deep ambivalence about the value of scepticism on the one hand presenting practical and moral arguments for the value of conviction and belief while on the other hand being committed to a sceptical project of opposing certainty and dogma On a formal level Wallace s writing both solicits the reader s trust and provokes the reader s scepticism This dynamic is responsible for the polarised responses of absolute trust and dissenting scepticism that characterise the work s reception By putting these responses into dialogue with the work s internal treatment of the question of scepticism this book illuminates the core philosophical investments that drive the work and the dynamics that have so far governed its reception

David Foster Wallace's Toxic Sexuality Edward Jackson,2020-06-11 David Foster Wallace s Toxic Sexuality Hideousness Neoliberalism Spermatology is the first full length study of perhaps the most controversial aspect of Wallace s work male sexuality Departing from biographical accounts of Wallace s troubled relationship to sex the book offers new and engaging close readings of this vexed topic in both his fiction and non fiction Wallace consistently returns to images of sexual toxicity across his career to argue that when it comes to sex men are immutably hideous He makes this argument by drawing on a variety of neoliberal logics and spermatological metaphors which in their appeal to apparently neutral economic processes and natural bodily facts forestall the possibility that men can change The book therefore provides a revisionist account of Wallace s attitudes towards capitalism as well as a critical dissection of his approach to masculinity and sexuality In doing so David Foster Wallace s Toxic Sexuality shows how Wallace can be considered a neoliberal writer whose commitment to furthering male sexual toxicity is a disturbing but undeniable part of his literary project

The Unspeakable Failures of David Foster Wallace Clare

Hayes-Brady, 2017-08-24 A critical overview of the writing of David Foster Wallace taking his persistent interests in philosophy language and plurality as points of departure

Reviewing **David Foster Wallaces Infinite Jest A Readers Guide 2nd Edition**: Unlocking the Spellbinding Force of Linguistics
