Complete MBA For Dummies Kathleen Allen, Peter Economy, 2007-12-26 Your guide to understanding the basics of an MBA. Want to get an MBA? The Complete MBA For Dummies 2nd Edition is the practical plain English guide that covers all the basics of a top notch MBA program helping you to navigate today's most innovative business strategies. From management to entrepreneurship to strategic planning you'll understand the hottest trends and get the latest techniques for motivating employees, building global partnerships, managing risk and manufacturing. This fun, easy to access guide is full of useful information, tips and checklists that will help you lead, manage or participate in any business at a high level of competence. You'll find out how to use databases to your advantage, recognize and reward your employees, analyze financial statements and understand the challenges of strategic planning in a global business environment. You'll also learn the basic principals of accounting, get a grip on the concepts behind stocks and bonds and find out how technology has revolutionized everything from manufacturing to marketing. Discover how to know and respond to your customers' needs, handle budgets and forecasts, recruit and retain top people, establish and run employee teams, use Sarbanes Oxley to your company's advantage, negotiate with the best of them, build long term relationships with clients, avoid common managerial mistakes, improve cash flow, market your products and services, make the most of your advertising dollar. Once you know what an MBA knows, the sky's the limit. Read *The Complete MBA For Dummies* 2nd Edition and watch your career take off.

The Complete MBA For Dummies Kathleen Allen, Peter Economy, 2000-03-15 If you work in a business, a nonprofit organization or for the government, chances are you've considered getting a Masters of Business Administration (MBA) degree. If you want to get ahead in your organization or just do a better job, obtaining an MBA is one of the best ways to do just that. But is it the degree that makes a difference or is there something else at work here? Although that piece of paper with your name and the words Masters of Business Administration mean a lot, what's even more important are the things that you learn during the course of your MBA studies. *The Complete MBA for Dummies* is full of useful information, tips and checklists that you can use to lead, manage or participate at a high level of competence in any business. And if you already have your MBA, you'll find that this book is a handy refresher and reference that can be used wherever you go. Written in a fun, easy to access format, *The Complete MBA for Dummies* presents and explains the very same information that you would encounter in a typical MBA program in any high quality business school today. Whether it's strategic planning, management, accounting, finance, marketing, negotiation or any other core MBA topic, you'll find it here. For a fraction of the amount you would pay to get your MBA, this book provides you with an easily understandable road map to today's most innovative and effective business techniques and strategies, including how to motivate employees and build great teams, understand financial fundamentals, create effective marketing plans, come out ahead in negotiations, examine management trends, make the Internet work for you, apply effective risk management techniques in business. Business isn't just for managers anymore. *The Complete MBA for Dummies* provides
