CompTIA Security+ SY0-401 Authorized Practice Questions Exam Cram Diane Barrett, 2015-01-23. The Security certification is CompTIA's answer to the market's need for a baseline vendor neutral security certification. The IT industry recognizes there is a need to better train staff and empower those tasked with designing and implementing information security, and Security is an effort to meet this demand. Even in challenging times, the field of information security continues to expand. To gain a foothold in this growing field, more than 60,000 people have

earned CompTIA's Security certification and thousands more take the Security exam every month. CompTIA Security SY0 401 Authorized Practice Questions Exam Cram offers all the realistic exam practice you'll need to systematically prepare, identify and fix areas of weakness and pass your Security exam the first time. This book and CD package complements any Security study plan with more than 800 practice test questions all supported with complete explanations of every correct and incorrect answer. The questions cover every Security exam objective including systems security, network infrastructure, access control, security assessment and auditing, cryptography and organizational security. The book contains relevant Exam Notes designed to help you earn a higher score plus the popular Cram Sheet tear card for last minute cramming. All 800 questions and explanations are also provided on the accompanying CD-ROM where they are delivered by a powerful flexible test engine that offers instant feedback and helps you pinpoint the areas where you need to focus.
