Challenging Homophobia Teaching About Sexual Diversity:

Challenging Homophobia Lutz van Dijk, Barry van Driel, 2007 This international collection shows how educators in Britain North America South Africa Poland Holland and Belgium are dealing with prejudice discrimination stereotyping and violence against sexual minorities Examples of positive projects and resources for combating homophobia are described Foreword by Desmond Tutu

Troubling the Teaching and Learning of Gender and Sexuality Diversity in South African Education Dennis A. Francis, 2016-11-18 In this book Francis highlights the tension between inclusion and sexual orientation using this tension as an entry to explore how LGB youth experience schooling Drawing on research with teachers and LGB youth this book troubles the teaching and learning of sexuality diversity and by doing so provides a critical exploration and analysis of how curriculum pedagogy and policy reproduces compulsory heterosexuality in schools The book makes visible the challenges of teaching sexuality diversity in South African schools while highlighting its potential for rethinking conceptions of the social and cultural representations thereof Francis links questions of policy and practice to wider issues of society sexuality social justice and highlights its implications for teaching and learning The author encourages policy makers teachers and scholars of sexualities and education to develop further questions and informed action to challenge heteronormativity and heterosexism

The African Perspective of Sexual Orientation and Gender Identity in Higher Education Mfundo Mandla Masuku, Mbongeni Shadrack Sithole, 2025-05-23 This book uses a deconstruction context to highlight the challenges faced by the LGBTQIA communities in African Higher Education The discursive approach adopted in the book is critical in enabling the editors and their authors space to articulate the subtle problematic and context sensitive issues that drive exclusionary and unequal practices that students face in campus life The book goes on to present an advanced argument for integrating African epistemologies such as Ubuntu with social justice frameworks to foster cultural competence and diversity in higher education

Sexual Orientation, Gender Identity, and Schooling Stephen Thomas Russell, Stacey S. Horn, 2017 Sexual Orientation Gender Identity and Schooling brings together contributions from a diverse group of researchers policy analysts and education advocates from around the world to synthesize the practice and policy implications of research on sexual orientation gender identity and schooling

Schooling Sexual Cultures Louisa Allen, 2017-03-31 Moving beyond the traditional focus on curriculum and pedagogy this volume explores hidden dimensions of sexuality education in schools and how sexual meanings are produced Challenging the standard understandings of sexuality education Allen discusses how students knowledge of sexualities is often learnt outside the official school curriculum in informal spaces such as the sports field gym locker rooms and peer groups By employing visual methods and analysing student photo diaries Allen s original book captures a sexual culture of schooling that allow readers to literally see through young people s eyes Introducing theoretical ideas in relation to queer theory and new feminist new materialisms this volume calls for a re conceptualization of how sexuality comes into being at school in order to take account of its material

spatial and embodied elements **Contemporary Debates in Education Studies** Jennifer Marshall, 2017-08-23

Contemporary Debates in Education Studies gives the reader a vital and nuanced understanding of the key debates surrounding the field of education today Exploring important educational themes such as issues of sexuality extremism and mental health through a variety of viewpoints this wide ranging book questions what the nature and purpose of education are and how this can be understood in contemporary contexts From eradicating child poverty in schools to considering how education should rise to the challenge of the digital world the book covers an extensive range of topics designed to inspire discussion and debate Examining a variety of perspectives each chapter looks at these topics through key research thinkers theorists and policies and featuring discussion questions and case studies throughout it forms a truly accessible and interactive guide to the issues that can not only help students access the debates but also provide lecturers with questions to stimulate seminar discussions Challenging current thinking on a number of topics this book s original and distinctive ideas consider how education should meet some of the trials and tribulations of the 21st century and its wide reaching and all encompassing discussion will be essential reading for all students on undergraduate and postgraduate education studies courses

Sexuality, Society & Pedagogy Dennis A. Francis, 2013-01-01 Sexuality Society and Pedagogy problematises some of the prevailing assumptions that frame this area of study In doing so it aims to make visible the challenges of teaching sexuality education in South African schools while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof Although the book is largely situated in experiences and perspectives within the South African context it is hoped that the questions raised reflections analyses and arguments will contribute to thinking about sexuality education in diverse contexts in particular more developing contexts **Schools as Queer Transformative**

Spaces Jón Ingvar Kjarn, Helen Sauntson, 2019-10-08 This book explores the narratives and experiences of LGBTQ and gender non conforming students around the world Much previous research has focused on homophobic transphobic bullying and the negative consequences of expressing non heterosexual and non gender conforming identities in school environments To date less attention has been paid to what may help LGBTQ students to experience school more positively and relatively little has been done to compare research across the global contexts This book addresses these research gaps by bringing together ongoing research from countries including Brazil China South Africa the UK and many more Each chapter examines results of empirical research into school experiences of LGBTQ students and the experiences and perspectives of teachers and parents All contributions are theoretically informed by aspects of queer theory and or critical feminist theory with additional insights from psychological sociological and linguistic perspectives Contributing chapters consider how educational workers may question socially sanctioned concepts of normality in relation to gender and sexuality in ways that benefit all students and how they can queer schools to make them less oppressive in terms of gender and sexuality Expertly written and researched this book is an invaluable resource for researchers policymakers and students in the fields of
