Open-Hearted People, Soul-Connected Church Tom Bennardo, 2025-04-08 Ask most anyone and they would say they desire honest authentic real relationships Yet few of us experience the soul level connection we long for with other human beings let alone God Fear and pride drive us to mask our truest selves leaving us perpetually disconnected hidden and lonely God made us for something profoundly better an open hearted courageous honesty that liberates us from a life of guardedness and self protection and has the power to radically transform our approach to Christian community In fact it's those things about ourselves we're most afraid to reveal that lead to the kind of love and acceptance we yearn for This book is your call to embrace and practice heart level honesty and authenticity in this age of artificiality As you learn to engage your world with your soul wide open you'll discover deeper connections with yourself others and God and open avenues for other lonely and disconnected souls to join you there
