Helgoe Ph.D., 2008-03-04 A positive look at parenting sons Here s a hands on parenting guide that takes readers from the birth of their sons to the day they head off to college In warm wise words the husband and wife team who are parents of two sons themselves explore all that is different and the same precious and at times irritating about the boys in their lives Written by parents of a pair of teenage boys Offers a unique positive perspective Full of practical parenting tips Topics covered include school discipline puberty bullies girls and much more *The Complete Idiot's Guide to Evangelical Christianity* David Cobia, D.Min., 2007-04-03 The word on spreading the word The Evangelical Christian movement is the fastest growing segment of American religion with 42% of all Christians in America identifying themselves as Evangelicals Now Evangelical Pastor David Cobia shares the genesis history and culture of this religion in America with a balanced accessible tone He also touches upon the controversies it s spawned regarding such topics as school curriculum abortion gay rights and family structure Written both for those inside the movement and those wanting to know more it gives a clear factual portrait of what this growing Christian movement is all about Balanced positive yet objective tone and presentation of information Provides a complete history of the movement details about specific services and rituals and interviews with Evangelical Christians about their beliefs and lifestyles Discusses controversial topics and how Evangelical Christians feel about them **The Complete Idiot's Guide to Country Living** Kimberley Willis, 2008-11-04 Even simple living has complications City suburban dwellers heading to greener pastures will find this guide indispensable The transition to a more rural life can be complicated with dozens of issues to consider from utilities to schools to weather Expert advisor Kimberly Willis writes from experience on such topics as choosing the right location building or refurbishing tools and supplies home farming animal ownership and more A growing market with little or no competition Practical easy to follow advice Strong resources section *Home Schooling* Frederick M. Lawrence, 2007 From left to right on the political spectrum there is at least one note of agreement the nation s school system has not delivered universal quality education Accordingly debate has raged over how to rectify this situation Should the government increase funding encourage privatisation some of both Another option though has emerged and is seemingly gaining popularity home schooling Citing both substandard education and displeasure with school environments and curricula many parents have decided to teach their own children Supporters say it is well within their rights to raise their children as they see fit and that at home learning is superior to the public system Detractors claim that home schooled children are deprived of social interaction and the broad

based education provided by the system Neither side wants to cede ground making the issue of home schooling an integral part of a wider national debate on education In this book the specific topic of home schooling is presented from all relevant sides to give a complete picture of the present status of the issue and its potential for future resolution Following this overview is a thorough and carefully selected bibliography of literature about home schooling from all viewpoints Easy access to his important resource is then provided via author title and subject indexes The Complete Idiot's Guide to Getting Into Top Colleges Ian R. Leslie, Marna Atkin, 2009-06-02 Cruise your way to the Ivy League It s no secret that it s harder to get into college these days Ivy League and other selective schools have record numbers of applicants making the competition even steeper This must have guide carefully explores the to do s to gain admission to a top tier school Students and parents will learn about choosing the right school what college admissions officers really consider when making their decisions early decision versus early action and what being on the waitlist means Provides sample essays recommendation forms resources and websites Includes advice from guidance counselors and admission officers of top colleges Between now and 2015 there will be more than 3 million high school graduates each year **Absolute Beginner's Guide to Home Schooling** Brad Miser, 2005 Absolute beginners guide to homeschooling will help you decide if homeschooling is the best choice for your children s education **The First Year of Homeschooling Your Child** Linda Dobson, 2009-02-04 Homeschool the right way from day one Are you considering homeschooling for your family Today many parents recognize that their child s school options are limited inadequate or even dangerous and an increasing number are turning to homeschooling But where do you start and how do you ensure the highest quality educational experience especially in that pivotal first year This comprehensive guide will help you determine the appropriate first steps build your own educational philosophy and discover the best ways to cater to your child s specific learning style including When why and how to get started The best ways to develop an effective curriculum assess your child s progress and navigate local regulations Kid tested and parent approved learning activities for all age levels Simple strategies for developing an independent child and strengthening family and social relationships And much much more To the thousands of requests we receive for help from families new to homeschooling we will now recommend this warm and knowledgeable book It will ensure that all families make it to the second year including yours Elizabeth Kanna editor in chief Homeschool com Linda Dobson addresses all the issues facing parents as they consider the task of homeschooling over other educational options Those who wonder whether they really can or want to do the job will find unique perspectives in this well researched work Beverly K Eakman author and cofounder National Education Consortium *Serving Homeschooled Teens and Their Parents* Maureen T. Lerch, Janet Welch, 2004-05-30 Today more than a million students are being educated at home and that figure increases at a rate of 7 14% annually Homeschooling is a growing trend in our society and public librarians are being called upon with increasing frequency to serve the needs of homeschooled students So just what are the needs of the homeschooled teen and how can

you and your library meet those needs A former young adult librarian and a homeschool parent have joined forces to create this insightful guide and answer that question After reviewing the developmental and social needs of teens the authors demonstrate how those needs may be met in the public library setting You ll find a wealth of ideas for adapting every facet of your library service for this growing population from developing a homeschool collection to expanding services and creating special programs You ll also find suggestions on how to market what your library has to offer to homeschoolers You may even discover some new ways to employ the talents and time of these students and their families Extensive resource lists conclude the volume they will help you better serve home educated teens and their parents
