tool offers more review content and questions than any other massage certification review. It gives you the practice and study tools you need for the NCE and MPLEx certification exams, state exams, and even mid-term or final exams. With complete coverage of the information you need to know to study more effectively and take tests more successfully, it helps you memorize terms, definitions, and key facts, all with an emphasis on critical thinking skills, a key part of any licensure or certification exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,300 review questions include the two types of questions on the NCE: factual recall and comprehension. Content review includes a detailed review of body systems and their applications to massage. A new five-step review process lets you identify areas that need more attention as you study and prepare. Tips for studying and test-taking, what to memorize, how to apply concepts, and think critically help you hone test-taking skills better than ever before. A full-color design features 100 new illustrations showing massage techniques and Anatomy Physiology. **Successfully**

Managing ADHD Fintan J O'Regan, 2014-08-07 Behaviour issues in general and ADHD in particular is always a high priority in schools. Teachers are constantly searching for practical guidance on how to manage learners who find it difficult to concentrate and stay on task for any length of time, sometimes presenting challenging behaviour in the classroom and disrupting learning for other students. Fintan O'Regan provides a user-friendly resource for busy teachers, showing them how to offer practical and effective strategies and models of good practice to practitioners and signposting further sources of information. Chapters in this essential book cover topics such as: How can we manage ADHD behaviour? How can we help non-traditional learners access the curriculum? Working with parents of children with ADHD. Making transitions less problematic. Exploring other options for managing ADHD. The role of medication and how when it can help. Written by one of the UK's leading experts on the topic, SENCOs, teachers, behaviour management staff, and senior leaders will find invaluable practical and up-to-date information and advice on ADHD and will be able to use the resources provided as a continuing professional development tool with colleagues in all phases. Successfully Teaching and Managing Children with ADHD Fintan

O'Regan, 2019-04-17 Written by one of the UK's leading experts in ADHD, O'Regan's *Successfully Teaching and Managing Children with ADHD* is an invaluable resource offering practical and effective strategies for managing the difficult and often disruptive symptoms of ADHD in the classroom setting. Alongside the accessible and user-friendly resources that have made the first edition so valued, this second edition offers a greater number of case studies addressing the key issues surrounding ADHD in education. Up-to-date information and advice regarding medication and behavioural strategies. Specific advice on recognising and managing ADHD in girls and adults. Chapters in this book explore topics such as recognising and managing ADHD behaviour, working with parents of children with ADHD, whole-school approaches to ADHD, and professional development for teachers and assistants. With accompanying assessment and management resources, including the CAST Child ADHD Screening Tool, this is an essential tool for teachers, SENCOs, behavioural management staff, and senior leaders.
