Developed Prophetic Dimension By Scott Webster:

The Architecture of the New Prophetic Dimension Scott Webster, 2008-01-01 It is a season of the fresh speaking of God to His Church in the earth There is a demand in God for the church to embrace a more robust and powerful Prophetic dimension and a new kind of prophet is required in the earth at this time in order to fulfill and service the demands of heaven The power and grace within the Apostolic Reformation has produced in the Church an ability to discern correct design and has brought into sharp focus the architecture of the new Prophetic dimension This is a time of rampant Kingdom advance and powerful dealings of God a time in which the new prophetic dimension is being released into the earth as God is preparing the Church to be the voice of God to the nations of the earth The global church has been impacted by apostolic reformation and we are accelerating towards the place of ultimate completion

A Developed Prophetic Perspective Scott Webster, 2010-01-01 During a time of crisis and God's intensified dealings with the nations of the earth our insight into the meaning of events must increase We must see beyond earthly reality and turn our eyes more towards God in order to gain true understanding We cannot rely upon insight that comes from man's intelligence and his rational thinking systems nor can we depend on the narrow function of a prophetic order that is primarily gift based The prophetic has to become a more broad and holistic system of insight insight that is historically analytical to open the eyes to the dealings of God regarding process and history insight into the impending events and conditions which empower us to live with certainty in the present and wisdom to take strategic action based on what will be so the will of God comes to pass and is not aborted To equip the church to interact with the nations on a more credible and sustained level we need a developed prophetic perspective

Core Definers of the Prophetic Scott Webster, 2015-12-31 As we walk with God towards the End of the Age the nations will continue their downward spiral into conflict and crisis In the midst of the turmoil God is strengthening His Church building people who are strong of spirit clear in purpose and able to withstand the assaults of darkness The role of the prophetic is key to the process When correct prophetic functionality is present in the Church it produces people who are full of faith resolute and courageous Today God is releasing His voice with new clarity through His prophets and He is equipping the entire Body of Christ to be more prophetic The Core Definers of the Prophetic will provide you with the insight and principles to help you walk powerfully and accurately in God's purpose in your home in your Church and in the world

Fine Arts, 1840 **Trinity, Revelation, and Reading** Scott R. Swain, 2011-09-15 Trinity Revelation and Reading TRR is a theological introduction to the Bible and biblical interpretation The overarching thesis is that neither the Bible nor biblical hermeneutics can be understood or practiced properly apart from an appreciation of their relationship to the triune God and

his gracious economy of redemption Scott Swain treats the role of the Word in the saving economy of the triune God the role and status of Scripture as the Word of God the nature of biblical reading as a covenantal enterprise as well as a host of other related topics These topics are addressed by way of a constructive appropriation or ressourcement of many of the themes of patristic theology and early Protestant divinity esp Reformed Orthodoxy while building upon the work of important contemporary theologians as well e g Karl Barth John Webster Kevin Vanhoozer The ultimate goal of this study is that readers will appreciate better the ways in which biblical interpretation is an aspect of their covenantal engagement with the triune God Clark's Horse Review ,1901
