Conversations With God An Uncommon Dialogue Two Audio Volume I:

Conversations with God, Books 2 & 3 Neale Donald Walsch, 2014-09-01 Neale Donald Walsch didn't claim to be special or spiritually gifted. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them directly through Walsch's pen. And the result was a series of witty, provocative and profound books that have changed the lives of readers around the world. Here in one handsome volume are the second two books in the Conversations with God series. In *Conversations with God 2*, Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in *Conversations with God 1*. The pair discusses time, space, politics and even kinky sex. It is an honest look at some of the broad issues important to all of us on the planet. In *Conversations with God 3*, final book of the original three-book series, universal truths of the highest order and the challenges and opportunities of the soul. In this volume, the dialogue expands to include more about the nature of God, about love and fear, about who we are and who we may become. Here is also a profound dialogue about the culture, philosophy and spirituality of highly evolved beings, some of whom we presently call aliens or ETs in other realms of the universe and how they have learned to view life, love and the pursuit of happiness.

Books Out Loud, 2007 **Words on Cassette, 2002** R R Bowker Publishing, 2002 **Conversations With God, Book 3** Neale Donald Walsch, 2020-09-01 Discover the answers to the questions of God, meaning and existence. This is the final book of the original three-book Conversations with God series. The series deals with universal truths of the highest order and the challenges and opportunities of the soul. In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that's about to take place. This is an engaging and profound conversation about the culture, philosophy and spirituality of highly evolved beings, some of whom we call aliens or ETs in other realms of the universe and how they have learned to view life, love and the pursuit of happiness. CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy. *Small Press*, 1997 **Words on Cassette, 1999** Bowker Editorial Staff, Staff Bowker R R, Bowker, 1999-02 **The Publishers Weekly**, 2001 **Own Your Power** Alice Jones, 2018-05-18 By changing our thoughts we can change our lives.
