Complete Adventures Blinky Bill Illustrated:

The Complete Adventures of Blinky Bill Dorothy Wall, 2015-12-07 Dorothy Wall 1894 1942 was a New Zealand born author and illustrator of children's fiction books. She is most famous for creating Blinky Bill, an anthropomorphic koala who was the central character in her books. While telling the adventures of Blinky Bill, a naughty little boy in the form of a koala, the stories also present messages of conservation. Blinky Bill is known for his mischievousness and his love for his mother. His friends include his adopted sister Nutsy, his kangaroo friend Splodge, his platypus friend Flap, Marcia the marsupial mouse, and his mentor Mr Wombat or Wombo, as Blinky prefers to call him. He does things that are realistic for koalas as well as things that child readers would like to do. Wall tells the stories directly to the children, and Blinky often interacts with the readers in an introduction.

The Art of Environmental Law Benjamin J Richardson, 2019-12-12 Environmental law has aesthetic dimensions. Aesthetic values have shaped the making of environmental law, and in turn, such law governs many of our nature-based sensory experiences. Aesthetics is also integral to understanding the very fabric of environmental law in its institutions, procedures, and discourses. *The Art of Environmental Law*, the first book of its kind, brings new insights into the importance of aesthetic issues in a variety of domains of environmental governance around the world, from climate change to biodiversity conservation. It also argues for aesthetics and relatedly, the arts, to be taken more seriously in the practice of environmental law, so as to improve our emotional and ethical capacities to address the upheavals of the Anthropocene.
