Abraham Lincoln Vol 8 Sometimes like a messenger through the thick darkness of night it steps along mysterious ways but when the hour strikes for a people or for mankind to pass into a new form of being unseen hands draw the bolts from the gates of futurity and all subduing influence prepares the minds of men for the coming revolution those who plan resistance find themselves in conflict with the will of Providence rather than with human devices and all hearts and all understandings most of all the opinions and influences of the unwilling are wonderfully attracted and compelled to bear forward the change which becomes more an obedience to the law of universal nature than submission to the arbitrament of man In the fulness of time a republic rose up in the wilderness of America Thousands of years had passed away before this child of the ages could be born From whatever there was of good in the systems of former centuries she drew her nourishment the wrecks of the past were her warnings With the deepest sentiment of faith fixed in her inmost nature she disenthralled religion from bondage to temporal power that her worship might be worship only in spirit and in truth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Nicolay, 2015-07-14 Excerpt from Complete Works of Abraham Lincoln Vol 10 And Moses went up from the plains of Moab unto the mountain of Nebo to the top of Pisgah that is over against Jericho and the Lord showed him all the land of Gilead unto Dan and all Naphtali and the land of Ephraim and Manasseh and all the land of Judah unto the utmost sea and the south and the plain of the valley of Jericho the city of palm trees unto Zoar And the Lord said unto him this is the land which I swear unto Abraham unto Isaac and unto Jacob saying I will give it unto thy seed I have caused thee to see it with thine eyes but thou shalt not go over thither So Moses the servant of the Lord died there in the land of Moab according to the word of the Lord Deut xxxiv 1 5 There is no historic figure more noble than that of the Jewish lawgiver After so many thousand years the figure of Moses is not diminished but stands up against the background of early days distinct and individual as if he had lived but yesterday There is scarcely another event in history more touching than his death About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
