Complete Smash Comics Superhero Adventure:

The Complete Smash Comics - Pt 5 Quality Comics, 2015-11-30 SMASH COMICS was one of the top selling Golden Age books running from 1939-1949. This series brought us some of the most memorable characters of comics' greatest days: Midnight, The Ray, Espionage, Starring Black X-Wings, Wendell, Lady Luck, Hugh Hazzard and his Iron Man, Invisible Justice, Abdul the Arab, Wun Cloo, The Marksman, The Jester and more. For the first time in two generations SMASH COMICS is available. You can get them as 85 individual issues OR 28 three issue volumes OR find each character coming in his/her own collection. This is historic. Look for the entire series to be released in December 2015. RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Many people enjoy these authentic characteristics. How has the concept of the superhero developed over time? How has humanity's idealization of heroes with superhuman powers changed across millennia and what superhero themes remain constant? Why does the idea of a superhero remain so powerful and relevant in the modern context when our real life technological capabilities arguably surpass the imagined superpowers of superheroes of the past? **The Evolution of the Costumed Avenger: The 4,000 Year History of the Superhero** is the first complete history of superheroes that thoroughly traces the development of superheroes from their beginning in 2100 B.C.E. with the Epic of Gilgamesh to their fully entrenched status in modern pop culture and the comic book and graphic novel worlds. The book documents how the two modern superhero archetypes, the Costumed Avengers and the superhuman Supermen, can be traced back more than two centuries. It turns a critical evaluative eye upon the post-Superman history of the superhero and shows how modern superheroes were created and influenced by sources as various as Egyptian poems, biblical heroes, medieval epics, Elizabethan urban legends, Jacobean masques, Gothic novels, dime novels, the Molly Maguires, the Ku Klux Klan, and pulp magazines. This work serves undergraduate or graduate students writing papers, professors or independent scholars, and anyone interested in learning about superheroes. **Understanding Superhero Comic Books** Alex Grand, 2023-06-13 This work dissects the origin and growth of superhero comic books, their major influences, and the creators behind them. It demonstrates how Batman, Wonder Woman, Captain America, and many more stand as time capsules of their eras, rising and falling with societal changes and reflecting an amalgam of influences. The book covers in detail the iconic superhero comic book creators and their unique contributions in their quest for realism, including Julius Schwartz and the science fiction
