Complete Shodan Manual Lifeskills Martial Arts:

The Road To Shodan: A Guide To Reaching First Degree Black Belt Bill Menees, 2006-09-17 This book covers the quest for black belt like no other book before. It is not about individual techniques or styles. Instead, it's about the common experiences that occur across all major styles of martial arts on the road to black belt. It is a concise manual of best practices that will help you to understand your motives and goals for training. Progress faster and with deeper understanding. Identify your dominant method of learning. Develop physical discipline and mental strength. Be aware of important developmental milestones. Gain a deeper understanding of martial arts as a whole. Apply martial arts training to daily life. See past the allure of trophies and awards. Discover the ultimate goal of martial arts. The primary audience for this book is anyone interested in practicing a martial art who has not yet reached the rank of black belt. It can also be a valuable guide for advanced martial artists who are instructing others on their Road to Shodan. [The Complete Martial Arts Training Manual](#) Ashley

Martin, Ashley P. Martin, 2015-08-04 The Complete Martial Arts Training Manual is a book/DVD combo designed for anyone who has an interest in the martial arts. Having a broad knowledge of the various techniques of the martial arts gives a martial artist an expanded ability to counteract a variety of attacks and overwhelm an opponent's defenses. In expanding his own martial arts knowledge, Martin shares with the reader his years of experience as a practitioner and teacher. He provides a catalog of the various martial arts being taught worldwide and their strengths and weaknesses. He then covers the basics of hand-to-hand techniques within each of those disciplines, from strikes to ground fighting. Finally, he offers information on the overall health and well-being of the martial artist, including important nutritional information and stretching techniques. With an instructional DVD included, The Complete Martial Arts Training Manual is a solid foundation of martial arts for beginners and a key supplement for the veteran martial artist. Chapters include: Learning the Aspects of Fighting, an introduction, The Way of the Warrior, definition of a martial art, limitations of ground fighting, a complete martial artist, A Catalog of Martial Arts: Kung fu, Jujutsu or jiu-jitsu, Aikido, Judo, Karate, Kickboxing, Taekwondo, Boxing, Wrestling, and more.
