In the Lógos of Love James Heft, Una M. Cadegan, 2016 So much has changed about Catholic intellectual life in the half century since the end of the Second Vatican Council that it has become difficult to locate the core concepts that make up the tradition. *In the Lógos of Love* is a collection of essays that grew out of a 2013 conference on Catholic intellectual life co sponsored by the University of Dayton and the Institute for Advanced Catholic Studies at the University of Southern California.
