Canoe Country Roy MacGregor, 2015-09-08 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included *Canoe Country* is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author best able and most eager to tell it

Anthologizing Canadian Literature Robert Lecker, 2015-11-02 The first collection of critical essays devoted to the study of English Canadian literary anthologies brings together the work of thirteen prominent critics to investigate anthology formation in Canada and answer these key questions Why are there so many literary anthologies in Canada and how can we trace their history What role have anthologies played in the formation of Canadian literary taste How have anthologies influenced the training of students from generation to generation What literary values do the editors of various anthologies tend to support and how do these values affect canon formation in Canada How have different genres fared in the creation of literary anthologies How do Canadian anthologies transmit ideas about gender region ideology and nation Specific essays focus on anthologies as national metaphors the controversies surrounding early literary collections representations of First Nations peoples in anthologies and the ways in which various editors have understood exploration narratives In addition the collection examines the representation of women in Canadian anthologies the use of anthologies as teaching tools and the creation of some very odd Canadian anthologies along the way
