Fandom Is Ugly Mel Stanfill, 2024-08-27 In theory fans are people who love something so why across cases from comic

books to TV shows to YouTube to politicians to fan fiction do fans engage in large scale social media harassment to express their anger and what does it tell us about media and public culture [Fake Geek Girls](#) Suzanne Scott,2019-04-16 Reveals the systematic marginalization of women within pop culture fan communities When Ghostbusters returned to the screen in 2016 some male fans of the original film boycotted the all female adaptation of the cult classic turning to Twitter to express their disapproval and making it clear that they considered the film s real fans to be white straight men While extreme these responses are far from unusual with similar uproars around the female protagonists of the new Star Wars films to full fledged geek culture wars and harassment campaigns as exemplified by the GamerGate controversy that began in 2014 Over the past decade fan and geek culture has moved from the margins to the mainstream as fans have become tastemakers and promotional partners with fan art transformed into official merchandise and fan fiction launching new franchises But this shift has left some people behind Suzanne Scott points to the ways in which the men s rights movement and antifeminist pushback against social justice warriors connect to new mainstream fandom where female casting in geek nostalgia reboots is vilified and historically feminized forms of fan engagement like cosplay and fan fiction are treated as less worthy than male dominant expressions of fandom like collection possession and cataloguing While this gender bias harkens back to the origins of fandom itself Fake Geek Girls contends that the current view of women in fandom as either inauthentic masqueraders or unwelcome interlopers has been tacitly endorsed by Hollywood franchises and the viewer demographics they selectively champion It offers a view into the inner workings of how digital fan culture converges with old media and its biases in new and novel ways **The Digital City** Germaine R. Halegoua,2020-01-21 Shows how digital media connects people to their lived environments Every day millions of people turn to small handheld screens to search for their destinations and to seek recommendations for places to visit They may share texts or images of themselves and these places en route or after their journey is complete We don t consciously reflect on these activities and probably don t associate these practices with constructing a sense of place Critics have argued that digital media alienates users from space and place but this book argues that the exact opposite is true that we habitually use digital technologies to re embed ourselves within urban environments The Digital City advocates for the need to rethink our everyday interactions with digital infrastructures navigation technologies and social media as we move through the world Drawing on five case studies from global and mid sized cities to illustrate the concept of re placing Germaine R Halegoua shows how different populations employ urban broadband networks social and locative media platforms digital navigation smart cities and creative placemaking initiatives to turn urban spaces into places with deep meanings and emotional attachments Through timely narratives of everyday urban life Halegoua argues that people use digital media to create a unique sense of place within rapidly changing urban environments and that a sense of place is integral to understanding contemporary relationships with digital media *Wife, Inc.* Suzanne Leonard,2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of

battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story

Homegrown Piotr M. Szpunar, 2018-04-10 An insightful study of how identity is mobilized in and for war in the face of homegrown terrorism You are either with us or against us is the refrain that captures the spirit of the global war on terror Images of the them implied in this war cry distinct foreign others inundate Americans on hit television shows Hollywood blockbusters and nightly news However in this book Piotr Szpunar tells the story of a fuzzier image the homegrown terrorist a foe that blends into the crowd who Americans are told looks talks and acts like us Homegrown delves into the dynamics of domestic counterterrorism revealing the complications that arise when the terrorist threat involves Americans both residents and citizens who have taken up arms against their own country Szpunar examines the ways in which identities are blurred in the war on terror amid debates concerning who is the real terrorist He considers cases ranging from the white supremacist Sikh Temple shooter to the Newburgh Four ex convicts caught up in an FBI informant led plot to bomb synagogues to ecoterrorists to the Tsarnaev brothers responsible for the Boston Marathon bombing Drawing on popular media coverage court documents as well as terrorist produced media Szpunar poses new questions about the strategic deployment of identity in times of conflict The book argues that homegrown terrorism challenges our long held understandings of how identity and difference play out in war beyond us versus them and more importantly that the way in which it is conceptualized and combatted has real consequences for social cultural and political notions of citizenship and belonging The first critical examination of homegrown terrorism this book will make you question how we make sense of the actions of ourselves and others in global war and the figures that fall in between

The Digital Border Lilie Chouliaraki, Myria Georgiou, 2022-06-21 Introduction The

Digital Border The Techno Symbolic Assemblages of Power The Outer Border Assemblages of Humanitarian Securitization The Inner Border Assemblages of Entrepreneurial Securitization The Inner Border as Networked Commons Narrative and Voice in News Stories Visibility and Responsibility in News Imagery Subaltern Voice and Digital Resistance Conclusion The Crisis Imaginary The Digital Border and Its Crises

Targeted Kelly Gates, 2025-08-19 How video transformed policing and security Video cameras are everywhere attached to buildings drones and dashboards embedded in smartphones laptops and doorbells worn on police uniforms and sunglasses In Targeted Kelly Gates argues that the resulting avalanche of video has transformed the landscape of policing and security in the twenty first century Video production analysis and archival management are now central to the ways police power is exercised criminal law enforced and spaces of human habitation securitized Gates examines the primacy of video in four key areas of policing and security the field of digital multimedia forensics private video surveillance infrastructure development police body worn camera systems and video analytics for automated surveillance Video AI Case studies of two companies illustrate the role of corporations in these far reaching media technological changes Target Corporation has integrated its retail security operations with law enforcement expanding its surveillance beyond its stores and parking lots and into the criminal legal system Axon Enterprise is leveraging the growing volume of police body cam video to build a large scale proprietary platform for policing Targeted reveals the role of video infrastructure development in the increasingly entangled relationship between the modern police and the modern corporation in the long wake and ruins of neoliberalism

The Identity Trade Nora A. Draper, 2021-11-02 The successes and failures of an industry that claims to protect and promote our online identities What does privacy mean in the digital era As technology increasingly blurs the boundary between public and private questions about who controls our data become harder and harder to answer Our every web view click and online purchase can be sold to anyone to store and use as they wish At the same time our online reputation has become an important part of our identity a form of cultural currency The Identity Trade examines the relationship between online visibility and privacy and the politics of identity and self presentation in the digital age In doing so Nora Draper looks at the revealing two decade history of efforts by the consumer privacy industry to give individuals control over their digital image through the sale of privacy protection and reputation management as a service Through in depth interviews with industry experts as well as analysis of media coverage promotional materials and government policies Draper examines how companies have turned the protection and promotion of digital information into a business Along the way she also provides insight into how these companies have responded to and shaped the ways we think about image and reputation in the digital age Tracking the successes and failures of companies claiming to control our digital ephemera Draper takes us inside an industry that has commodified strategies of information control This book is a discerning overview of the debate around who controls our data who buys and sells it and the consequences of treating privacy as a consumer good

Citizenship Excess Latinos Media And The Nation Critical Cultural Communication Introduction

In the digital age, access to information has become easier than ever before. The ability to download Citizenship Excess Latinos Media And The Nation Critical Cultural Communication has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Citizenship Excess Latinos Media And The Nation Critical Cultural Communication has opened up a world of possibilities. Downloading Citizenship Excess Latinos Media And The Nation Critical Cultural Communication provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Citizenship Excess Latinos Media And The Nation Critical Cultural Communication has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Citizenship Excess Latinos Media And The Nation Critical Cultural Communication. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Citizenship Excess Latinos Media And The Nation Critical Cultural Communication. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication Books

1. Where can I buy Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Citizenship Excess Latinoas Media And The Nation Critical Cultural Communication book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
