City Of Walls Crime Segregation And Citizenship In So Paulo:

City of Walls Teresa P. R. Caldeira, 2000 This is an extraordinary treatment of a difficult problem Much more than a conventional comparative study City of Walls is a genuinely transcultural transnational work the first of its kind that I have read George E Marcus author of *Ethnography Through Thick Thin* Caldeira's work is wonderfully ambitious theoretically bold ethnographically rich historically specific Anyone who cares about the condition and future of cities of democracy of human rights should read this book Thomas Bender Director of the Project on Cities and Urban Knowledges City of Walls is a brilliant analysis of the dynamics of urban fear The sophistication of Caldeira's arguments should stimulate new discussion of cities and urban life Its significance goes far beyond the borders of Brazil Margaret Crawford Professor of Urban Planning and Design Theory Graduate School of Design Harvard University Caldeira's insight illuminates the geography of the city as well as the boundaries or the lack of boundaries of violence Paul Chevigny author of *Edge of the Knife Police Violence in the Americas* An extraordinary account of violence in the city Caldeira brings to this task a rare depth of knowledge and understanding Saskia Sassen author of *Globalization and Its Discontents* An outstanding contribution to understanding authoritarian continuity under political reform Caldeira has written a brilliant and bleak analysis on the many challenges and obstacles which government and civil society face in new democracies Paulo Sérgio Pinheiro Director of the Center for the Study of Violence University of São Paulo and Member of the United Nations Sub Commission for the Promotion and Protection of Human Rights

Criminal Enterprises and Governance in Latin America and the Caribbean Enrique Desmond Arias, 2017-03-30 This book examines security in three cities that suffer from chronic violence Rio de Janeiro Brazil Medellin Colombia and Kingston Jamaica In each democratic states contend with subnational armed groups that dominate territory and play important roles in politics even as they contribute to fear and

insecurity Through a nested three city six neighborhood analysis of the role of criminal groups in governance this research provides a deep understanding of the impact of crime on political experience Neighborhoods controlled by different types of armed actors operating in the same institutional context build alliances with state officials and participate in political life through the structures created by these armed actors The data demonstrates the effects criminal dominance can have on security civil society elections and policymaking Far from reflecting a breakdown of order varying types of criminal groups generate different local lived political experiences

Gated Communities Samer Bagaeen, Ola Uduku, 2010-02-09 Gated Communities provides a historic socio political and contemporary cultural perspective of gated communities In doing so it offers a different lens through which to view the historical vernacular background of this now global phenomenon The book presents a collection of new writing on the issue by an international and interdisciplinary group of contributors The authors review current thinking on gated communities and consider the sustainability issues that these contemporary lifestyle communities raise The authors argue that there are links that can be drawn between the historic gated homesteads and cities found in much of the world and today s Western style secure complexes Global examples of gated communities and their historical context are presented throughout the book The authors also comment on how sustainability issues have impacted on these communities The book concludes by considering how the historic measures up with the contemporary in terms of sustainability function and aesthetic

Violence in the City of Women Sarah Hautzinger, 2007-09-17 Brazil s innovative all female police stations installed as part of the return to civilian rule in the 1980s mark the country s first effort to police domestic violence against women Sarah J Hautzinger s vividly detailed accessibly written study explores this phenomenon as a window onto the shifting relationship between violence and gendered power struggles in the city of Salvador da Bahia Hautzinger brings together distinct voices unexpectedly macho policewomen the battered women they are charged with defending indomitable Bahian women who disdain female victims and men who grapple with changing pressures related to masculinity and honor What emerges is a view of Brazil s policing experiment as a pioneering and potentially radical response to demands of the women s movement to build feminism into the state in a society fundamentally shaped by gender
