

THE CITY AND THE STAGE

PERFORMANCE, GENRE, AND GENDER
IN PLATO'S LAWS

MARCUS FOLCH

City Stage Performance Gender Platos

Marcus Folch

City Stage Performance Gender Platos:

The City and the Stage Marcus Folch, 2015 What role did poetry music song and dance play in the social and political life of the ancient Greek city How did philosophy respond to position itself against and articulate its own ambitions in relation to the poetic tradition How did ancient philosophers theorize and envision alternatives to fourth century Athenian democracy The City and the Stage poses such questions in a study of the Laws Plato's last longest and unfinished philosophical dialogue Reading the Laws in its literary historical and philosophical contexts this book offers a new interpretation of Plato's final dialogue with the Greek poetic tradition and an exploration of the dialectic between philosophy and mimetic art Although Plato is often thought hostile to poetry and famously banishes mimetic art from the ideal city of the Republic The City and the Stage shows that in his final work Plato made a striking about face proposing to rehabilitate Athenian performance culture and envisaging a city Magnesia in which poetry music song and dance are instrumental in the cultivation of philosophical virtues Plato's views of the performative properties of music dance and poetic language and the psychological underpinnings of aesthetic experience receive systematic treatment in this book for the first time The social role of literary criticism the power of genres to influence a society and lead to specific kinds of constitutions performance as a mechanism of gender construction and the position of women in ancient Greek performance culture are central themes throughout this study A wide ranging examination of ancient Greek philosophy and fourth century intellectual culture The City and the Stage will be of significance to anyone interested in ancient Greek literature performance and Platonic philosophy in its historical contexts

The City and the Stage Marcus Folch, 2015-12-01 The City and the Stage provides an exploration of Plato's final engagement with the poetic tradition Special attention is given to the dialogue between philosophy and poetry the performative properties of language the psychology of aesthetic response genre gender and the status of women in the ideal city envisaged in the Laws **Affect and Literature** Alex Houen, 2020-02-06 Explores a wide range of affects affect theory and literature to consolidate a fresh understanding of literary affect **Wasps** Michael Knox Beran, 2021-08-03 An examination of WASP culture through the lives of some of its most prominent figures Envied and lampooned misunderstood and yet distinctly American WASPs are as much a culture socioeconomic and ethnic designation and state of mind Charming witty and vigorously researched WASPS traces the rise and fall of this distinctly American phenomenon through the lives of prominent icons from Henry Adams and Theodore Roosevelt to George Santayana and John Jay Chapman Throughout this dynamic story Beran chronicles the efforts of WASPs to better the world around them as well as the struggles of these WASPs to break free from their restrictive culture The death of George H W Bush brought about reflections on the end of patrician WASP culture where privilege reigned but so did a genuine desire to use that privilege for public service In the time of Trump who is the antithesis of true WASP culture people look at the John Kerry Bobby Kennedy and Philip and Kay Grahams of the world with wistfulness And even though we are a more diverse and pluralistic nation now than ever before

there is something about WASP culture that remains enduringly aspirational and fascinating Beginning at the turn of the 20th century Beran's saga dramatizes the evolving American aristocracy that forever changed a nation and what we can still glean from WASP culture as we enter a new era **Sculpture, weaving, and the body in Plato** Zacharoula

Petraki,2023-08-21 Plato's Timaeus is unique in Greek Antiquity for presenting the creation of the world as the work of a divine demiurge The maker bestows order on sensible things and imitates the world of the intellect by using the Forms as models While the creation myth of the Timaeus seems unparalleled this book argues that it is not the first of Plato's dialogues to use artistic language to articulate the relationship of the objects of the material world to the world of the intellect The book adopts an interpretative angle that is sensitive to the visual and art historical developments of Classical Athens to argue that sculpture revolutionized by the advent of the lost wax technique for the production of bronze statues lies at the heart of Plato's conception of the relation of the human soul and body to the Forms It shows that despite the severe criticism of mimesis in the Republic Plato's use of artistic language rests on a positive model of mimesis Plato was in fact engaged in a constructive dialogue with material culture and he found in the technical processes and the cultural semantics of sculpture and of the art of weaving a valuable way to conceptualise and communicate complex ideas about humans relation to the Forms Plato's Caves Rebecca Lemoine,2020 From student protests over the teaching of canonical texts such as Plato's

Republic to the use of images of classical Greek statues in white supremacist propaganda the world of the ancient Greeks is deeply implicated in a heated contemporary debate about identity and diversity In Plato's Caves Rebecca LeMoine defends the bold thesis that Plato was a friend of cultural diversity contrary to many contemporary perceptions Through close readings of four Platonic dialogues Republic Menexenus Laws and Phaedrus LeMoine shows that across Plato's dialogues foreigners play a role similar to that of Socrates liberating citizens from intellectual bondage **Ugly Productions** A. C. Duncan,2025-02-24 Amidst a culture otherwise obsessed with beauty the Greek theater provided a unique space for Athenians to play with ugliness to try these anti ideals on for size Such imaginative play was considered dangerous by some such as Plato who feared its corrupting influence others including Aristotle saw the theater's provocation and release of emotions as educational and even therapeutic Sophocles and Euripides fifth century audiences could not help but directly confront the ugliness of their drama but as cultural memory of embodied productions faded an abstracted contrast emerged between beautiful tragedy and ugly comedy a pernicious aesthetic polarization that persists to this day A C Duncan's Ugly Productions embraces the materiality of the theater arguing that dramatic aesthetics are best understood within affective frameworks where beauty or ugliness are produced through a dynamic interplay of verbal and visual modalities Duncan reframes the Greek concept of the ugly not as mere anti beauty but as an affective disposition positively associated with such painful emotions as pity fear grief and abjection Through studies of the figures of Xerxes Electra Philoctetes Ajax Heracles and other tragic figures Ugly Productions offers detailed analyses of the various ways ugliness was produced in performance

with each chapter serving as an in depth guide for studying the aesthetics of these works Duncan confronts the historical neglect of ugliness in critical discourses calling for a revaluation of negative aesthetics and renewed interest in the uglier aspects of these canonical works of theater

Capitalism and the New Political Unconscious Fabio Vighi, Riccardo Panattoni, 2023-03-23 Taking seriously Jacques Lacan's claim that the unconscious is politics this volume proposes a new understanding of political power interrogating the assumption that contemporary capitalism functions by tapping into forms of unconscious enjoyment rather than providing transcendental conditions for the articulation of political meanings and desires Whether we're aware of it or not political communication today targets the audience's libidinal response through political and institutional language in policies speeches tweets social media appearances gestures and images Yet does this mean that current power structures no longer need symbolic or ideological frameworks The authors in this volume think not Far from demonstrating a shift to a post ideological age they argue instead that such methods inaugurate an altogether novel approach to political power Written by leading scholars from around the world including Roberto Esposito and Slavoj Žižek each chapter reflects on contemporary power and inspires consideration of new political potentialities which our focus on politics in transcendental rather than immanent terms has thus far obscured In so doing *Capitalism and the New Political Unconscious* provides an original and forceful exploration of the centrality of both psychoanalytic theory and the philosophy of immanence to an alternative understanding of the political

Poetic Justice Jill Frank, 2018-01-26 When Plato set his dialogues written texts were disseminated primarily by performance and recitation He wrote them however when literacy was expanding Jill Frank argues that there are unique insights to be gained from appreciating Plato's dialogues as written texts to be read and reread At the center of these insights are two distinct ways of learning to read in the dialogues One approach that appears in the *Statesman* *Sophist* and *Protagoras* treats learning to read as a top down affair in which authoritative teachers lead students to true beliefs Another recommended by Socrates encourages trial and error and the formation of beliefs based on students' own fallible experiences In all of these dialogues learning to read is likened to coming to know or understand something Given Plato's repeated presentation of the analogy between reading and coming to know what can these two approaches tell us about his dialogues representations of philosophy and politics With *Poetic Justice* Jill Frank overturns the conventional view that the *Republic* endorses a hierarchical ascent to knowledge and the authoritarian politics associated with that philosophy When learning to read is understood as the passive absorption of a teacher's beliefs this reflects the account of Platonic philosophy as authoritative knowledge wielded by philosopher kings who ruled the ideal city When we learn to read by way of the method Socrates introduces in the *Republic* Frank argues we are offered an education in ethical and political self governance one that prompts citizens to challenge all claims to authority including those of philosophy

Plato's Political Thought John Lombardini, 2023-12-18 Plato's political thought continues to be of enduring interest among classicists philosophers political theorists and intellectual historians The present volume introduces readers to the

topic through a survey of important recent trends in the scholarly literature focusing on challenges to the authenticity of the Seventh Letter reassessments of the Socratic Problem democratic readings of the Republic and the rehabilitation of the Statesman and Laws It provides an overview of the key methodological issues that must be addressed in interpreting the Platonic dialogues while also suggesting directions for further research

Unveiling the Magic of Words: A Overview of "**City Stage Performance Gender Platos**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the City Stage Performance Gender Platos full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of City Stage Performance Gender Platos eBooks, including some popular titles.

FAQs About City Stage Performance Gender Platos Books

What is a City Stage Performance Gender Platos PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a City Stage Performance Gender Platos PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a City Stage Performance Gender Platos PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a City Stage Performance Gender Platos PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a City Stage Performance Gender Platos PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
