The Crucible

Video Guide

Mr. Parris begins the story by stating that everything went on before the crucible began. As you view the movie, write down what people say happened. Finally, at the end, write what you believe happened, and why.

Is the Mr. Parris simply a worried parent, or does he have other concerns? Support your opinion with examples.

Abigail's reputation has become questionable. What hints are there that she hasn't been exactly upstanding?

Describe the character of John Proctor.

What is Hester hoping to get from the questions to the other characters? When they answer, how does their desire to be honest conflict with their other desires?
