Daniel Prophet To The Gentiles:

The Times of the Gentiles, a Study in Daniel Norman Mellish, 2010-03-01 It has pleased God to put in place governmental authority within the whole of His creation There are realms of authority in heaven which is clearly taught in the word of God and when God created the world He placed Adam in control of the earth even before sin He was crowned with glory and honour and set over the works of God s hands After the fall the Lord still required for the earth to be governed and it pleased Him to put the rule of the world into various hands until Israel were given the supreme place to hold this world for God Because of their failure to be faithful to the Lord they were removed from power and the government of this world was placed in Gentile hands this was under Nebuchadnezzar and is recorded for us in Daniel Chapter 2 This began the Times of the Gentiles The main thrust of the book of Daniel is to reveal the end of Gentile rule and this is the purpose of the book as seen in the four prophecies revealed to Daniel himself from chapters 7 12 In these tremendous revelations the Lord is unfolding the rise of the final world despot who will move in opposition to God and under Satan will corrupt humanity as he brings men into rebellion against God In these chapters we see the rise the character he bears and the control he will manifest during the tribulation period There is more said in the word of God about this coming Man of Sin than any other person beside Lord Jesus and the book of Daniel takes a leading role in revealing what God says about him As there are many who would study the prophetic truths I trust this addition to the many volumes written on the subject will prove helpful to understand the mind of God The volume does not follow in detail all that has been written by others but it has been written after many years of careful study and I trust that those who peruse it will at least give it some careful thought May the Lord use this to encourage others to study the subject and discern the mind of God in those things which He has revealed

Daniel: Prophet to the Gentiles Jimmy DeYoung, 2013 Dr Jimmy DeYoung unpacks this deep apocalyptic Scripture and explains not only the prophetic but the practical side as well Throughout this book it is clear that God is faithful to keep His promises and to care for His people page 4 of cover **Daniel the prophet and the times of the gentiles** Edward Dennett, 1919 **The Prophet Daniel** Arno Clemens Gaebelin, 1911 *Daniel* August Nelson Rosado, Jr, 2021-02-07 August Rosado shows how the Book of Daniel should be read Chronologically and not Numerically That means you must jump around the book in order to understand the Chronological sequence The book of Daniel is an Apocalyptic book that uses Apocalyptic literature The Bible will interpret that Apocalyptic literature not the mind of the individual August gives the Chronological sequence of Chapters laid out in the book The book also serves as a commentary and tackles the 2 controversial chapters Chapters 9 and 11 August looks at the scriptures for their plain sense interpretation and shows how the book of Daniel foretold events 2500 years ago are slowly unfolding in the Geo Political activities of the world today showing us that Bible Prophecy is on course to being fulfilled **Reimagining Exile in Daniel** James Seung-Hyun Lee, 2023-07-21 For the Danielic group exile is a place of privilege a locus of God s revelation and presence By identifying

themselves with those remaining in exile the Danielic group claims the legitimacy of their prophetic identity and teaching during the persecution under Antiochus IV *The Prophet Daniel Explained* Anonymous,2023-03-14 Reprint of the original first published in 1874 **The Non-Prophet's Guide to the Book of Daniel** Todd Hampson,2023-10-03 Finding Stability in Chaos and Encouragement from God's Promises In today's increasingly unstable culture we need the wealth of wisdom available in the book of Daniel which teaches us to live boldly and joyfully for the Lord even in the most difficult circumstances Through Daniel you'll discover what it means to stand for righteousness in a world filled with compromise And you'll learn how to do so winsomely in a way that both enables others to gain a clear understanding of who God is and compels them to seek after Him Explore the many vivid prophecies Daniel had about the days to come prophecies that shed much light on what will happen during the end times and are deeply practical for our day You will find your faith strengthened as you see the many ways that God has kept His promises and will continue to do so God used Daniel's faithfulness and courage powerfully in his day and He can do the same through our lives today as we apply the lessons meant to help us fulfill our role in God's divine story right now **Insights on the Book of Daniel** Alan B. Stringfellow,2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God's Word to thousands of believers Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a verse by verse study of the book of Daniel Stringfellow's in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God's central message An overview of various interpretations of the book's imagery The role Daniel's prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John's prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God
