

Light versus Dark

- The general rule is that evil characters, who wish to carry out evil deeds, are conscious of the power of darkness.
- *Good characters are less aware, and thus their references to day and night tend to have at least some element of dramatic irony in them.*

Dark Needs And Evil Deeds:

Dark Nights of the Soul Thomas Moore, 2005-06-16 Every human life is made up of the light and the dark the happy and the sad the vital and the deadening How you think about this rhythm of moods makes all the difference Our lives are filled with emotional tunnels the loss of a loved one or end of a relationship aging and illness career disappointments or just an ongoing sense of dissatisfaction with life Society tends to view these dark nights in clinical terms as obstacles to be overcome as quickly as possible But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul's deepest needs can provide healing and a new understanding of life's meaning *Dark Nights of the Soul* presents these metaphoric dark nights not as the enemy but as times of transition occasions to restore yourself and transforming rites of passage revealing an uplifting and inspiring new outlook on such topics as The healing power of melancholy The sexual dark night and the mysteries of matrimony Finding solace during illness and in aging Anxiety anger and temporary Insanities Linking creativity spirituality and emotional struggles Finding meaning and beauty in the darkness
