Lehane,2010-09-07 The tough neighborhood of Dorchester is no place for the innocent or the weak Its territory is defined by hard heads and even harder luck its streets are littered with the detritus of broken families hearts dreams Now one of its youngest is missing Private investigators Patrick Kenzie and Angela Gennaro don't want the case But after pleas from the child's aunt they open an investigation that will ultimately risk everything their relationship their sanity and even their lives to find a little girl lost Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first

edition through December 31 2008 **Boston Noir 2** Dennis Lehane, Mary Cotton, Jaime Clarke, 2012 In keeping with the tradition of the Noir series Boston Noir 2 is made up of the works of several celebrated authors whose work is tied together by a common setting After the massive success of the first Boston Noir bestselling author Dennis Lehane is back as curator for another anthology of crime stories set in Boston The Boston Noir 2 collection features reprints of the classic chilling short stories and novel excerpts that brought the world of noir to its knees Contributors include Pulitzer winners Joyce Carol Oates and John Updike
