Radical Challenges for Social Work Education Jane Fenton, 2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end Radical Challenges for Social Work Education is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy Development Studies Anthropology and Human Geography The chapters in this book were originally published as a special issue of the journal *Social Work Education* *Handbook of Research on Diversity and Social Justice in Higher Education* Keengwe, Jared, 2020-05-22 There is growing pressure on teachers and

faculty to understand and adopt best practices to work with diverse races cultures and languages in modern classrooms Establishing sound pedagogy is also critical given that racial cultural and linguistic integration has the potential to increase academic success for all learners To that end there is also a need for educators to prepare graduates who will better meet the needs of culturally diverse learners and help their learners to become successful global citizens The Handbook of Research on Diversity and Social Justice in Higher Education is a cutting edge research book that examines cross cultural perspectives challenges and opportunities pertaining to advancing diversity and social justice in higher education Furthermore the book explores multiple concepts of building a bridge from a monocultural pedagogical framework to cross cultural knowledge through appropriate diversity education models as well as effective social justice practices Highlighting a range of topics such as cultural taxation intercultural engagement and teacher preparation this book is essential for teachers faculty academicians researchers administrators policymakers and students *Spiritual Diversity in Social Work Practice* Edward R. Canda, Leola Dyrud Furman, 2010 Weaving together interdisciplinary theory and research as well as the results from a national survey of practitioners the authors describe a spiritually oriented model for practice that places clients challenges and goals within the context of their deepest meanings and highest aspirations Using richly detailed case examples and thought provoking activities this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice It presents definitions and conceptual models of spirituality and religion draws connections between spiritual diversity and cultural gender and sexual orientation diversity and offers insights from Buddhism Christianity Confucianism Hinduism Indigenous religions Islam Judaism Existentialism and Transpersonal theory Eminently practical it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support transformation and resilience such as meditation mindfulness ritual forgiveness and engagement of individual and community based spiritual support systems **Explorations in Diversity** Sharon K. Anderson, Valerie A. Middleton, 2018 Narratives by professionals and future professionals unpacking the complexities of privilege and oppression in our multicultural world **The Complete Systemic Supervisor** Thomas C. Todd, Cheryl L. Storm, 2014-04-29 The Second Edition of the definitive text on systemic clinical supervision has been fully updated and now includes a range of practical online resources New edition of the definitive text on systemic clinical supervision fully updated and revised with a wealth of case studies throughout Supported by a range of practical online resources New material includes coverage of systemic supervision outside MFT and international training contexts such as healthcare schools and the military Top level contributors include those practicing academic agency and privately contracted supervision with novice to experienced therapists The editors received a prestigious award in 2015 from the American Family Therapy Academy for their contribution to systemic supervision theory and practice **Journal of Education for Social Work** ,2009 Social Work Education and the Grand Challenges R. Paul Maiden, Eugenia L. Weiss, 2023-04-04 The Grand Challenges for Social

Work GCSW provides an agenda for society and for the social work profession The 13 GCSW have been codified by the American Academy of Social Work and Social Welfare and are emerging as a significant underpinning in the education of undergraduate and graduate social work students throughout the USA This volume serves as a guide as to how this can best be achieved in alignment with the 2022 Educational Policy and Accreditation Standards EPAS from the Council of Social Work Education Divided into four parts Individual and Family Well Being Stronger Social Fabric A Just Society The Grand Challenges in the Field Each chapter introduces a Grand Challenge situates it within the curricula and provides teaching practices in one of the targeted domains as well as learning objectives class exercises and discussions By showing how to facilitate class discussion manage difficult conversations and address diversity equity and inclusion as part of teaching the topic this book will be of interest to all faculty teaching at both undergraduate and graduate levels It should be noted that there are additional supplementary chapters beyond the 13 GCSW that provide further context for the reader

Doing Critical Social Work Sophie Goldingay, 2020-07-25 Critical social work encourages emancipatory personal and social change This text focuses on the challenge of incorporating critical theory into the practice of social workers and provides case studies and insights from a range of fields to illustrate how to work with tensions and challenges Beginning with an outline of the theoretical basis of critical social work and its different perspectives the authors go on to introduce key features of working in this tradition including critical reflection Part II explores critical practices in confronting privilege and promoting social justice in social work examining such issues as human rights gender poverty and class Part III considers the development of critical practices within the organisational context of social work including the fields of mental health child and family services within Centrelink and prison settings Part IV is focused on doing anti discriminatory and anti oppressive practice in social work with particular populations including asylum seekers Aboriginal and Torres Strait Islander peoples domestic violence survivors older people and lesbian gay and transgender groups Finally Part V outlines collectivist and transformative practices in social work and beyond looking at environmental issues social activism the disability movement and globalisation A highly valuable addition to social work education and practice literature in Australia and beyond its shores Ruth Phillips Associate Professor Faculty of Education and Social Work University of Sydney
