B. Guy Peters

Challenge Of Democracy 9th Edition:

The Challenge of Democracy Kenneth Janda, Jeffrey M. Berry, Jerry Goldman, Kevin W. Hula, 2001 This Brief Edition retains the popular themes of the full length text the conflict among the values of freedom order and equality and the tensions between pluralist and majoritarian visions of democracy New to the fourth edition coverage of key recent events including the 2000 elections the impeachment and acquittal of President Clinton the 1998 congressional elections the political implications of new media including the Internet Page 4 of cover

American Public Policy: Promise and Performance, 9th Edition B. Guy Peters, 2012-10-16 Voting and elections may often be cited as the most entertaining aspect of political theatre however it is the arena of public policy that has the most direct impact on the lives of the citizenry And as we have seen played out in recent debates over healthcare reform policy changes can be dramatic sweeping and often hotly contested Known for providing a trusted and comprehensive overview of the policy process B Guy Peters returns with the ninth edition of American Public Policy Promise and Performance Beyond walking students through the governmental structures and policy making procedures Peters efficiently covers a wide swath of policy areas and then concludes with a look at both cost benefit analysis and ethical analysis Framed in context of the aftermath of the financial crisis and Great Recession the ninth edition considers how policy has been impacted by persistent unemployment and growing income inequality In addition Peters discusses the strain on education budgets increased oversight of financial activities fiscal policies meant to stimulate the economy and the political challenge of balancing the budget in light of increased public spending

American Democracy in Peril: Eight Challenges to America's Future, 7th Edition William E. Hudson, 2012-07-13 American Democracy in Peril encapsulates the tumultuous state of American politics By introducing the history of democratic theory in terms of four models of democracy Hudson provides readers with a set of criteria against which to evaluate the challenges discussed later This provocative book offers a structured yet critical examination of the American political system designed to stimulate students to consider how the facts they learn about American politics relate to democratic ideals This new edition incorporates the Trump Presidency and the polarization that has accompanied his leadership Provided by Publisher

Classical and Protestant Liberalism Daniel Dei, 2021-05-25 Classical and Protestant Liberalism Similarities and Differences compares classical liberalism with Protestant liberalism The book discusses similarities and differences between the philosophical propositions of these two liberal strands The central argument is that Protestant liberalism has incorporated some key elements of classical liberalism to redefine essential elements of the Christian faith to appeal to the contemporary individual s sense Protestant liberal version of Christianity sharply deviates from conventional Christianity Classical liberal notions of natural rights social contract individualism pluralism secularization and utilitarian perspective on ethics sustain this version of Christianity Protestant liberals present essential aspects of Christianity to contemporary individuals through these classical liberal existential views Protestant liberal views on the

 Sovereignty Coexist?** Tetsu Sakurai, Mauro Zamboni, 2023-03-31 Looking at two of the key paradigms of the post Cold War
 era national sovereignty and human rights this book examines the possibilities for their reconciliation from a global
 perspective The real or imagined fear of a flood of immigrants has caused and fuelled the surge of an amalgam of populist
 political forces anti immigrant movements and exclusionist nationalism in many developed countries In the last decade we
 have witnessed the emergence of two phenomena in the political and legal spheres On the one hand there are liberal
 globalists asking for respect and the protection of the basic human rights of migrants and asylum seekers and arguing for
 their civic and social integration into host societies On the other hand there are growing calls for a tougher stance on
 immigration and powerful populist politicians and governments have emerged in many developed countries How can the idea
 of universal human rights survive exclusionist nationalism that uses a populist unscrupulous approach to its advantage The
 contributors to this book explore the meaning of and possible solutions to this dilemma using a wide range of approaches and
 seek appropriate ways of dealing with these normative predicaments shared by many developed societies Scholars and
 students of human rights migration nationalism and multiculturalism will find this a very valuable resource **The
