Ecology and Conservation of Estuarine Ecosystems Renzo Perissinotto, Derek D. Stretch, Ricky H. Taylor, 2013-05-16 St Lucia is the world s oldest protected estuary and Africa s largest estuarine system It is also the centerpiece of South Africa s first UNESCO World Heritage Site the iSimangaliso Wetland Park and has been a Ramsar Wetland of International Importance since 1986 Knowledge of its biodiversity geological origins hydrology hydrodynamics and the long history of management is unique in the world However the impact of global change has culminated in unprecedented challenges for the conservation and management of the St Lucia system leading to the recent initiation of a project in support of its rehabilitation and long term sustainability This timely volume provides a unique source of information on the functioning and management of the estuary for researchers students and environmental managers The insights and experiences described build on over 60 years of study and management at the site and will serve as a valuable model for similar estuaries around the world

Trends in Biodiversity Research A. R. Burk, 2005 Biological diversity or biodiversity refers to the variety of all life on earth and the complex relationships among living things and between living things and their environment Biodiversity includes genetic variety

species diversity and variability in communities ecosystems and landscapes Biodiversity sustains the environments in which we live and on which our lives and those of every other living creature on Earth depend Thanks to biodiversity we are able to obtain such necessary goods as food clothing medicine and fuel Equally important are the ecosystem services that biodiversity provides such as clean air and drinkable water Conservation scientists have identified a number of universal threats to biodiversity habitat loss and degradation invasive species pollution overpopulation overexploitation and consumption and global climate change This new book examines critical issues in this field from researchers around the globe
