Diagrams for Living Emmet Fox, 2010-06-15 A beloved teacher and best selling author offers diagrams for living to show how you can come out of limitation and find real happiness Fox has inspired millions of people over the past forty years through his simple practical guidelines In *Diagrams for Living* he presents valuable keys to living a more fulfilled life drawn from the eloquent spiritual wisdom of the Bible If we read the Bible literally cautions Fox we miss the eternal power and personal relevance found in its symbols allegories and parables Whether you realize it or not he writes you are on every page from Genesis to Revelation Fox shows how to read dramatic biblical stories as symbolic diagrams for living that can show you how to overcome difficulties and problems and how to give expression to the deep aspirations that lie hidden in your soul This power to reveal inspire and guide makes the Bible's teachings adaptable to everyone at every stage of spiritual development Sensible contemporary and full of reassurance *Diagrams for Living* offers sage counsel from a gifted teacher

The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible's exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked

The Bible Unveiled Emmet Fox, 2015-10-12 You have a biography written about you It is called the Bible and you are on every page Some people wonder why the Bible has to be unveiled at all and the answer is that the Bible is written in symbol and allegory for many reasons but chiefly because that is the only method by which the teaching could be made fit for every kind of person at every stage of spiritual development in every age While the Bible contains much authentic history and biography it also contains a great mass of parables and allegories The chief difficulty in modern times that intelligent people have had to meet is that they have not understood that some of the things in the Bible that used to be taught as fact are really allegory and contain great diagrams of our personal destinies In *The Bible Unveiled* Emmet Fox unveils a cross section of the Bible in narrative form not only to make the Bible come alive for today's readers but also to open up the reader's consciousness to the diagrams for living that the Bible has cloaked in symbol and allegory
