Diccionario De Filosofia Spanish Edition:

Three Spanish Philosophers Jose Ferrater Mora, 2012-02-01 This collection provides an excellent introduction to three of the most important names in twentieth century Spanish philosophy Miguel de Unamuno 1864 1936 Jos Ortega y Gasset 1883 1955 and Jos Ferrater Mora 1912 1991 The thought provoking work of these great contemporary philosophers offers a rich and penetrating insight into human existence Originally written by Ferrater Mora in the middle of the last century his interpretations of Unamuno and Ortega are considered classics and the chapter on his own thought reflects his mature thinking about being and death Each essay is introduced by noted Ferrater Mora scholar J M Terricabras and contains updated biographical and bibliographic information *Philosophy of Technology in Spanish Speaking Countries* Carl Mitcham, 2012-12-06 This volume grew out of the experience of the First Inter American Congress on Philosophy of Technology October 1988 organized by the Center for the Philosophy and History of Science and Technology of the University of Puerto Rico in Mayagüez The Spanish language proceedings of that conference have been published in Carl Mitcham and Margarita M Peiia Borrero with Elena Lugo and James Ward eds *El nuevo mundo de la filosofía y la tecnología* a University Park PA STS Press 1990 This volume contains thirty two papers twenty two summaries an introduction and biographical notes to provide a full record of that seminal gathering Discussions with Paul T Durbin and others including many who participated in the Second Inter American Congress on Philosophy of Technology University of Puerto Rico in Mayagüez March 1999 raised the prospect of an English language proceedings in the Philosophy and Technology series But after due consideration it was agreed that a more general volume was needed to introduce English speaking readers to a growing body of literature on the philosophy of technology in the Spanish speaking world As such the present volume includes Spanish as well as Latin American authors historical and contemporary figures some who did and many who did not participate in the first and second inter American congresses [Encyclopedia of Contemporary Spanish Culture](#) Professor Eamonn Rodgers, Eamonn Rodgers, 2002-03-11 Some 750 alphabetically arranged entries provide insights into recent cultural and political developments within Spain including the cultures of Catalonia Galicia and the Basque country Coverage spans from the end of the Civil War in 1939 to the present day with emphasis on the changes following the demise of the Franco dictatorship in 1975 Entries range from shorter factual articles to longer overview essays offering in depth treatment of major issues Culture is defined in its broadest sense Entries include Antonio Gaudí science Antonio Banderas golf dance education politics racism urbanization This Encyclopedia is essential reading for anyone interested in Spanish culture It provides essential cultural context for students of Spanish European History Comparative European Studies and Cultural Studies *Peasant Poverty and Persistence in the Twenty-First Century* Julio Boltvinik, Susan Archer Mann, 2016-08-15 Peasants are a majority of the world's poor Despite this there has been little effort to bridge the fields of peasant and poverty studies *Peasant Poverty and Persistence in the Twenty first Century* provides a much needed critical perspective linking

three central questions Why has peasantry unlike other areas of non capitalist production persisted Why are the vast majority of peasants poor And how are these two questions related Interweaving contributions from various disciplines the book provides a range of responses offering new theoretical historical and policy perspectives on this peasant world drama Scholars from both South and North argue that in order to find the policy paths required to overcome peasants misery we need a seismic transformation in social thought to which they make important contributions They are convinced that we must build upon the peasant economy s advantages over agricultural capitalism in meeting the challenges of feeding the growing world population while sustaining the environment Structured to encourage debate among authors and mutual learning Peasant Poverty and Persistence takes the reader on an intellectual journey toward understanding the peasantry Mario Bunge: A Centenary Festschrift Michael R. Matthews, 2019-07-17 This volume has 41 chapters written to honor the 100th birthday of Mario Bunge It celebrates the work of this influential Argentine Canadian physicist and philosopher Contributions show the value of Bunge s science informed philosophy and his systematic approach to philosophical problems The chapters explore the exceptionally wide spectrum of Bunge s contributions to metaphysics methodology and philosophy of science philosophy of mathematics philosophy of physics philosophy of psychology philosophy of social science philosophy of biology philosophy of technology moral philosophy social and political philosophy medical philosophy and education The contributors include scholars from 16 countries Bunge combines ontological realism with epistemological fallibilism He believes that science provides the best and most warranted knowledge of the natural and social world and that such knowledge is the only sound basis for moral decision making and social and political reform Bunge argues for the unity of knowledge In his eyes science and philosophy constitute a fruitful and necessary partnership Readers will discover the wisdom of this approach and will gain insight into the utility of cross disciplinary scholarship This anthology will appeal to researchers students and teachers in philosophy of science social science and liberal education programmes 1 Introduction Section I An Academic Vocation 3 chapters Section II Philosophy 12 chapters Section III Physics and Philosophy of Physics 4 chapters Section IV Cognitive Science and Philosophy of Mind 2 chapters Section V Sociology and Social Theory 4 chapters Section VI Ethics and Political Philosophy 3 chapters Section VII Biology and Philosophy of Biology 3 chapters Section VIII Mathematics 3 chapters Section IX Education 2 chapters Section X Varia 3 chapters Section XI Bibliography **The Bloomsbury Companion to the Philosophy of Sport** Cesar R. Torres, 2014-05-16 The Bloomsbury Companion to the Philosophy of Sport features specially commissioned essays from a team of leading international scholars The book by providing an overview of the advances in the philosophical understanding of sport and related practices serves as a measure of the development of the philosophy of sport but it also constitutes an expression of the discipline s state of the art The book includes a critical analysis of the historical development of philosophic ideas about sport three essays on the research methods typically used by sport philosophers twelve essays that address vital issues at the forefront of key research areas as well as four essays on

topics of future disciplinary concern The book also includes a glossary of key terms and concepts an essay on resources available to researchers and practitioners an essay on careers opportunities in the discipline and an extensive annotated bibliography of key literature

Philosophy Hans E. Bynagle, 2006-05-30 A newly reorganized up to date overview of key reference works in philosophy reflects a veritable explosion of reference sources both print and online published over the past decade Nearly 300 of the 700 entries consist of new material with an additional 50 entries substantially revised and updated English language sources are emphasized but important non English works are also well represented For professional philosophers philosophy educators students from beginning to graduate and librarians This guide represents a substantial updating and complete re organization of the author s 1997 *Philosophy A Guide to the Reference Literature* 2nd edition 1st edition 1986 It reflects a veritable explosion of reference sources both print and online in the field of philosophy over the past decade Nearly 300 entries or 40 percent are entirely new An additional 50 or so entries have substantial revisions recording new editions changes in serial publications series and websites or additional volumes completed in multi volume sets In addition it has been entirely re organized along topical lines Each of its twenty three chapters is divided into four sections 1 general sources 2 history of philosophy 3 branches of philosophy and 4 miscellanea This new arrangement accords better with the greatly expanded range of philosophy reference sources and makes it easier for the user to identify related sources of different types bibliographies dictionaries web gateways etc on the same topic Like its predecessor *Guide to Reference Sources in Philosophy* the 3rd edition aims to serve a diverse audience of professional philosophers philosophy educators students from beginning to graduate and librarians All entries include generous annotations that are often evaluative as well as descriptive English language sources are emphasized but non English works important to researchers or of interest to users with facility in other languages are also well represented

What is Knowledge? Jose Ortega y Gasset, 2012-02-01 Appearing in English for the first time this book comprises two of Ortega s most important works *Qu es conocimiento* and the essay *Ideas y creencias* This is Ortega s attempt to systematically present the foundations of his metaphysics of human life and on that basis to provide a radical philosophical account of knowledge In so doing he criticizes idealism and overcomes it Accordingly this book goes well beyond a treatise on epistemology in fact as understood in modern philosophy this discipline and its questions are shown to be derivative and in that sense they are transcended here by Ortega s systematic effort Written during the time of his maturity these works are representative of his fruitful and radical period Both *Qu es conocimiento* and *Ideas y creencias* are equally decisive not only for the understanding and radical completion of Ortega s work but also for their relevance to the work of continental philosophers during the same period and for years to come e g Husserl Jaspers Heidegger Sartre and others
