Dictionary Of Afro American Slavery

Steven Mintz

Dictionary Of Afro American Slavery:

Dictionary of Afro-American Slavery Randall M. Miller, John David Smith, 1988-11-15 Three hundred signed articles covering slavery in North America mostly the United States are arranged in alphabetical order with cross references The entries are multi page with bibliographic references but are written for non specialists and are easily understood Coverage is from the first English settlement to the Reconstruction era and include laws events people regions states and social intellectual instructional and political aspects of slavery The articles are supplemented with charts tables and maps There is a chronology and a subject index This source is highly recommended for middle and high school history and sociology classes

Dictionary of Afro-American Slavery Randall M. Miller, John David Smith, 1997-02-19 The geographical focus of the dictionary is the United States The time frame for most essays is the period from the first English settlement in North America to Reconstruction after the Civil War Selected biographies of prominent individuals involved in slavery and of less known but representative figures in Afro American history add a variety of individual involvements with and responses to slavery in North America *Encyclopedia of African American History, 1619-1895* Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline

chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness **American Slavery** Peter Kolchin, 2003 updated to address a decade of new scholarship the book includes a new preface afterword and revised and expanded bibliographic essay from publisher description The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America *The Black Abolitionist Papers* C. Peter Ripley, Roy E. Finkbine, 2000-11-09 The passage of the Fugitive Slave Law more than any other event in the 1850s provoked a widespread emotionally charged reaction among northern blacks Entire communities responded to the law that threatened free blacks as well as fugitive slaves with arbitrary arrest and enslavement This volume pays particular attention to black resistance through such community efforts as vigilance committees and the underground railroad This five volume documentary collection culled from an international archival search that turned up over 14 000 letters speeches pamphlets essays and newspaper editorials reveals how black abolitionists represented the core of the antislavery movement While the first two volumes consider black abolitionists in the British Isles and Canada the home of some 60 000 black Americans on the eve of the Civil War the remaining volumes examine the activities and opinions of black abolitionists in the United States from 1830 until the end of the Civil War In particular these volumes focus on their reactions to African colonization and the idea of gradual emancipation the Fugitive Slave Law and the promise brought by emancipation during the war **A Concise Chronicle History of the African-American People Experience in America** Henry Epps, 2012-08-26 This book highlights the great experiences of African American people in the United States Slaves for Hire John J. Zaborney, 2012-10-12 In *Slaves for Hire* John J. Zaborney overturns long standing beliefs about slave labor in the antebellum South Previously scholars viewed slave hiring as an aberration a modified form of slavery involving primarily urban male slaves that worked to the laborer's advantage and weakened slavery's institutional integrity In the first in depth examination of slave hiring in Virginia Zaborney suggests that this endemic practice bolstered the institution of slavery in the decades leading up to the Civil War all but assuring Virginia's secession from the Union to protect slavery Moving beyond previous analyses Zaborney examines slave hiring in rural and agricultural settings along with the renting of women children and elderly slaves His research reveals that like non hired out slaves these other workers' experiences varied in accordance with sex location occupation economic climate and crop prices as well as owners and renters' convictions and financial circumstances Hired slaves in Virginia faced a full range of oppression from nearly full autonomy to harsh exploitation Whites of all economic occupational gender ethnic and age groups including slave owners and non slave owners rented slaves regularly Additionally male owners and hirers often transported slaves to those who worked them and acted as agents for white women who wished to hire out their slaves Ultimately widespread white mastery of hired slaves allowed owners with superfluous slaves to offer them for

rent locally rather than selling them to the Lower South establishing the practice as an integral feature of Virginia slavery

African American Voices Steven Mintz, 2009-04-03 A succinct up to date overview of the history of slavery that places American slavery in comparative perspective Provides students with more than 70 primary documents on the history of slavery in America Includes extensive excerpts from slave narratives interviews with former slaves and letters by African Americans that document the experience of bondage Comprehensive headnotes introduce each selection A Visual History chapter provides images to supplement the written documents Includes an extensive bibliography and bibliographic essay

Dictionary Of Afro American Slavery Introduction

In today's digital age, the availability of Dictionary Of Afro American Slavery books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dictionary Of Afro American Slavery books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dictionary Of Afro American Slavery books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dictionary Of Afro American Slavery versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dictionary Of Afro American Slavery books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dictionary Of Afro American Slavery books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dictionary Of Afro American Slavery books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dictionary Of Afro American Slavery books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dictionary Of Afro American Slavery books and manuals for download and embark on your journey of knowledge?
