## **Dictionary Of Christ And The Gospels Volumes 1 And 2:**

*Mark (2 volumes in 1 / ESV Edition)* R. Kent Hughes, 2015-03-31 In our age of aggressive evil and apathetic faith the Gospel of Mark resounds with the dynamic power of the Lord Jesus Christ In what is perhaps the most dramatic and action packed of the Synoptic Gospels Mark's writing continues to inspire increased commitment in the church at large His portrayal of Christ as the servant savior takes on fresh relevance in these expositions by respected pastor and author R Kent Hughes With careful exegesis and numerous illustrations the author draws many practical lessons for everyday living and ministry from the text Written to help preachers and Bible teachers communicate God's Word more effectively this engaging commentary covers the entire book of Mark and now includes Scripture quotations drawn from the ESV Bible The book of Hebrews conveys a double dose of spiritual power it not only presents the supremacy of Jesus Christ unlike any other New Testament book but it also repeatedly demands a heart response from the reader No one can study Hebrews and not grow spiritually as he or she comes face to face with God's one and only Son In this insightful commentary readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked With divisions and outlines that are never forced but flow naturally from the text this updated volume in Crossway's Preaching the Word series will be a great resource for anyone studying or teaching the book of Hebrews Part of the Preaching the Word series

**The Gospel History of Christ** Erastus Blakeslee, 1907 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
